## Quality Education Schools Making a Difference

Quality Education Academy

Our purpose is to maximize the educational potential of children in small group settings, by providing a stimulating educational environment that will develop each student's intellectual, spiritual, emotional, physical, and social potential to the fullest. *We are committed to excellence!!!*

Below are quotes from Quality Schools parents...how they feel about the school and their child's educational progress.

"...opportunity to talk directly with teachers when I come to pick up my child."

"I like that Quality Schools promotes positive learning for and to our cultures."

"The best and most important aspect of the school...the teacher...nurturing, gentle, unhurried...doing small things with great love."

"I like the way children are taught to have self-esteem self-respect, and good communication skills."

"Quality Education kids feel good about who they are"

"Good conduct is required...not an option!"

"Small classroom settings...helps the children receive more individualized attention!"

"The one-on-one relationship...we are all treated special...!"

"They make the children feel important."

"Quality Education kids stand out in a crowd. Academically, they test beyond their grade level."

-----cut along proliferated lines-----

"The diverse curriculum."

"...a good learning tool that will help my child go through her years as a good person."

"The quality of education that is given."

"Teaching with a flair of love and compassion."

"Harambee and the spiritual focus."

"I like the family atmosphere and togetherness"

"Actually, I like the entire program!"

"Children are made to feel special and loved!"

"I like the hours"

"The quality of education...it's more than the basics."

"...students are exposed to public speaking, thereby enhancing their confidence (In general) and their oratorical skills..."

"I like the way kids are taught...with Christ in their program."
