

# HOW AND WHERE TO PURCHASE a pre-owned vehicle

Advice on buying a vehicle that comes from a professional organization that has bumper-to-bumper from than you could park to

## BUY FROM

Buy from a long established new car dealer. Their reputation is at stake and they won't knowingly sell you a bad vehicle. If they do, they will repair it, trade you another one or buy it back!

## AVOID

Avoid vehicles that have had only one owner but may have had hundreds of drivers (such as rental cars, taxis and police cars). The mileage on these vehicles may not be truly indicative of the wear and abuse.

## PROGRAM/OFF-LEASE

If the vehicle is a Program car or Off-Lease car, verify this by looking at the title. There is big difference between a program/off-lease car and a daily rental car.

There are many well cared for pre-owned vehicles with all of the above information available and waiting for you at these three Flow dealerships:
