Help THE CHRONICLE
celebrate our
25th Anniversary
at our Sixth Annual
"We Are Family Day."

We need you to help fan the flame.

Since 1974, *The Chronicle* has carried the torch for African American issues. And, we couldn't have done it without your support. There is no better way to celebrate *The Chronicle's* "family heritage" than our annual Family Day.

We're providing lots of spark!

We're throwing the reunion. You just add the family!

- **Great Food:** Pre-register your family and *The Chronicle* treats them to a cookout with all the fixings. Bring your lawn chairs and gather your family for the feast!
- **A Day Filled With Entertainment:** Our celebration will include star-studded entertainment such as national recording artist, *Sybil*. Our list of great local stars includes: *Ebonique*, the *Mt. Olive Mass Choir*, the *Sunshine Group* from Bethlehem Baptist Church Youth Choir and Winston Lake YMCA's *Boss Drummers*.
- **New! Kids Festival Area:** Great area for kids of all ages, including clowns, face painters, children's crafts, storytellers and much more. Special thanks to Barnes & Noble and the YMCA for their help.
- **Prizes and Other Goodies:** Special surprises for those who pre-register, and great door prizes all day long.

Passing the torch.

The 25th Anniversary at Family Day is more than just fun and games. There are special ceremonies with an important purpose in mind...passing the torch to a new generation. Here's how:

- **Benefit:** *The Chronicle* joins with our sponsors for the event in providing grants to local organizations dedicated to saving our children. It's all in support of Governor Hunt's Mentoring Initiative. Watch for details on the special presentation of grants during the day.
- **Recognition:** We are family, and this is our chance to celebrate *The Chronicle* family. Experience a special presentation to key supporters of *The Chronicle* over the past 25 years.
- **Torch Lighting and Luminary Ceremony:** One person from the community will help kick off the event with a torch lighting ceremony. We'll end the day with a special luminary ceremony, remembering important "torch bearers" in our community...folks who have helped fan the flame through their contributions to our community in all kinds of ways.
