starters. Butler, who has rushed for 1,320 yards on 171 carries and scored 13 touchdowns, is one of the team's senior leaders.

The defense is led by Antwan Lyons, who is averaging 14 tackles per game. Lyons had 13 total stops in the win over Mount Tabor. Ricky Froneberger, another senior, also came through with a strong performance and had an interception return that led to the team's first touchdown.

The balance of the squad consists of young players, including Bodenheimer, Richmond and Jacob Brewer, who have all been major contributors in their recent games.

"The future looks good," Stone said. "Hopefully, we can do some good things in the next couple of weeks and have a chance at the playoffs."

Businessmen make \$500 contribution to LIFT Academy football program

Special to THE CHRONICLE

LIFT Academy's football program recently received a donation to help underwrite the cost of its first year of interscholastic play.

The Jaguars received a check of \$500 from Harold Dunovant and Chuck Foster, who joined forces to hold a raffle for the team. Dunovant, founder and president of the

Black Golf Hall of Fame and Foster, who owns Professional Barber Shop, raffled off a set of professional golf clubs, which was awarded during LIFT's homecoming game against the Blue Ridge School.

"We just wanted to do something to help out," Dunovant said. "I think the program is helping

kids and anything that is going to really impact our kids I support 100 percent. I wish I could do more to help LIFT Academy's athletic program because I think it is a wonderful idea."

Foster echoed those sentiments.

"We talked about coming up with something to help the school and the football program," Foster said. "Harold and I talked about it and we came up with this. Hopefully other people in the community will also step up and realize that there is a need to help."

Earline Parmon, superintendent of LIFT Academy, said she was appreciative of the gift.

"I am very thankful that we have individuals in our community who believe in our mission," she said. "Our football program depends solely on contributions and so far a lot of people have come across with donations. We need more to make the program a success because of the amount of travel that our team had to incur this season."
