Takes Pioneer Bowl 12-9, final BCSP No. 1

# Tuskegee finishes off perfect season

**LUT WILLIAMS BCSP Editor** 

ATLANTA - SIAC champion Tuskegee put the finishing touches on the first perfect season in black college football since 1993 as they downed champion CIAA Winston-Salem State, 12-9 before a record crowd of 10,773 Saturday in Pioneer Bowl IV to claim the 2000 black college football national championship.

Four field goals by senior placekicker Jason Lee, the final one with 2:16 left, were the difference as the Golden Tigers became the first team in the 87-year history of the SIAC to go 12-0 and the first team from the conference to win the mythical black college national championship since Florida A&M in 1978.

"The undefeated season and national championship was our primary focus in this game," said victorious head coach Rick Comegy, whose team lost last year's Pioneer Bowl to WSSU, 23-7. "Revenge was truly not a factor. We wanted to show them we were

behind 9-3 after a 26-yard field goal by WSSU placekicker Oakley Ashton early in the third quarter. Cedric Dupree (8-16, 117 yards) replaced starter Aaron James (9-18, 115 yards) and engineered three dri-

ves resulting in field goals by Lee, one midwaythrough the third quarter and two in the final stanza. Lee was chosen as the Tigers most valuable player for the game.

"I've dreamed about this day since I was very small," said Lee, a senior from Fort Wayne, Ind. "I owed everybody on this football team, This was the best game I've every played."

year ago. But the main **BCSP TOP 10** thing was to get the perfect

1. TUSKEGEE (12-0) - SIAC champ season and show that we takes Pioneer Bowl, 12-9, to complete first black college undefeated Comegy adds the season since 1993 and finish as 2000 national champion- final BCSP No. 1.

ship to the NAIA national 2. GRAMBLING (10-2) - SWAC title he won while head champion.

3. FLORIDA A&M (9-3) - MEAC champion.

2000 national title 4. NC A&T (9-2) - MEAC runner-up. 5. BETHUNE-COOKMAN (9-2) - to '95 NAIA title.

MEAC runner-up. 6. HAMPTON (7-4) - Fourth place MEAC team.

7. WINSTON-SALEM ST. (9-3) - CIAA champs fall in Pioneer Bowl to Tuskegee, 12-9. 8. ALABAMA A&M (7-4) - SWAC E. Div. champ, cham-

pionship runner-up. 9. ALABAMA STATE (6-5) - SWAC E. Div. runner-up. 10. JACKSON STATE (7-4) - Third place in SWAC East.

10. VIRGINIA UNION (8-3) - CIAA runner-up. OTHERS: Texas Southern (8-3), Morehouse (8-3), Delaware

WSSU QB Tory Woodbury (9-23, 134 yards), who scored the game's only touchdown on a three-yard keeper midway through the second quarter, was named his team's

## CSP Notes ▼ SIAC Commissioner Robert C.

Vowels' thoughts on Pioneer Bowl IV: "I thought the crowd (a record 10,773), considering the horrible (rainy) weather, was very good. I'm happy, but not satisfied. It says a lot for the fan base of Winston-Salem State and Tuskegee that they came out the way they did. It doesn't take a marketing genius to know that when you have a team that's 11-0, with a chance to go 12-0 and win a national championship, and another

Tuskegee placekicker Jason Lee receives his most valuable player trophy after kicking the Golden Tigers to a 12-9 win in Pioneer Bowl IV. Lee connected on kicks of 28, 42, 21 and 38 yards, the last with 2:16 to play.

team that's 9-2, that you have the ingredients for a successful ballgame. Winning helps. The key to getting the attendance up is corporate support. We'll have to identify the companies and then sell them blocks of tickets so we can get more kids in the game. I'll be getting together with CIAA Commissioner Kerry later this week critiquing the game. We will be talking about things like the venue. If we didn't play in the (Georgia) Dome this weekend we would have been in real trouble. But we will be talking about the best place for the game. Among the things I'd like to see are adding a parade, a pre-game event or

Saturday's game

switch at quarterback to

open the second half trail-

ing 6-3 and after falling

concert, a recruitment fair where we can bring in all the SIAC and CIAA schools, a battle of the bands and an after-party where the alumni from both schools can get together."

Other Pioneer Bowl notes: Tuskegee is losing only five seniors from this year's squad, quarterback Aaron James, running back Severon Zachery, defensive lineman Tiresias McCall, placekicker Jason Lee and offensive lineman Wadell Bennitte. Expect the Golden Tigers to be serious

contenders next season for honors both in the SIAC and nationally.

# Sweat joins unique company at 2000 Olympics

**BONITTA BEST** 

Special to the BCSP

While track and field sensation Marion Jones was trying to make history seeking five gold medals this summer at the Sydney Olympic games, Norfolk State women's track coach LaVerne Sweat was making some history of her

As one of the assistant U. S. women's track coaches at the Games, Sweat joined an elite group of men and women overseeing the effort of the nation's best athletes on the biggest of international stages. In doing so, she etched her name right up there with a celebrated group of coaches from historically black colleges that have served in that

Although she was an Olympic rookie among so many well-known and experienced athletes, Sweat wasn't, shall we say, in a sweat.

"I was excited but I wasn't nervous," said Sweat who has been coaching since 1959 and began coaching women's track in 1978. She spent ten years as head women's track coach at Hampton before coming to NSU in 1988. In Sydney, she was responsible for sprints and relays.

"I knew the majority of the athletes so it wasn't like I was going into a situation that I knew nothing about," she said. "The only thing that was a little nervewracking was putting the relays together, especially the 4x100 which we hoped to win but didn't. It's always tough when you try to put people together who have never worked together before and you've got a short period of time to get that

Norfolk State photo SWEAT: Norfolk State head track and field coach was responsible for

women's sprints and relays at 2000

Summer Olympics in Sydney, Australia.

Olympic coaches are nominated by their peers which made Sweat's selection all the more special. Sweat, who had never been to the Olympics as a coach or spectator, did have international experience. She was a coach at the 1999 World University Games and the Junior Pan

Chief among her black college predecessors is Benedict graduate and former North Carolina Central chancellor and head track coach, Dr. Leroy Walker, who was head track coach of the 1960 U.S. Olympic men's track and field team. Walker went on to serve as president of the United States Olympic Committee (USOC) including holding

that position during the 1996 Games in Atlanta.

Legendary Tennessee State track coach Ed Temple (1952-88) - whose TSU troops, led by his famed Tigerbelles, produced 29 Olympic medals (16 golds, eight silvers, five bronzes) - served as women's head track coach in 1960 and

In recent history, former Prairie View women's track coach and athletic director Barbara Jacket served as the head women's track coach at the 1992 Games in Barcelona. Current St. Augustine's head track coach George Williams served as an assistant men's coach at the Atlanta games.

Williams says no one is more deserving of the honor than Sweat with whom he battled often when the two were rivals in the CIAA.

"She is very deserving because she has worked hard," said Williams whose Falcons teams have won 19 national championships. "She's put a lot of young people through school and most of them have graduated. I got a chance to see her (in Sydney) a couple of times and I thought she did a very good job."

Unlike many skeptics, Sweat believed Jones could pull off her fivegold medal feat. Although the former North Carolina basketball and track star fell short - she came away with five medals (three golds, one silver and one bronze) - Sweat admits the tension got thick at times.

"The only coaching we did for Marion was with the relays," Sweat said. "In individual events, the majority of athletes have their own coaches. There's not a lot of coaching unless they want you to time them or hold their blocks or let them know if they are doing this or that right.

As evidence of Sweat's deep impact on today's women of track, two of the runners on the gold medal-winning 4x100 relay team from the Bahamas were former students, Norfolk State's Chandra Stirrup and Hampton's Eldece Clark-

Between Hampton and Norfolk State, she has won nearly 30 titles in indoor/outdoor track, and cross country. She led the Lady Spartans to 1999 women's indoor title in the MEAC.

Before Norfolk moved to Division I-AA in 1995, Sweat and Williams produced some of the most intense yet friendly rivalries in the CIAA. Sweat's team was the last to defeat the Lady Falcons in track and field.

"In the conference, we both saw each other going someplace because our teams were always battling against each other and they were always friendly battles," said Williams who was the 1999 U.S. men's track and field coach at the World Championships in Seville, Spain.

"I hated to see Norfolk go to Division I because the pickings out there are real thin for HBCUs.'

Hopefully, with Sweat's appearance on such a grand scale, Norfolk State will find it easier to find future Olympic hope-

"It will definitely help with recruiting," Sweat said. "I was happy to have that Olympic experience as something that I've always wanted and that I will always cherish. I got to interact with some super athletes."
