

# "Serving Our Community"

The City of Lexington and Lexington Utilities provides more than just utilities to the citizens of Lexington and Davidson County. We care about our community and gladly go the extra mile to make it a nice place to live for our many customers...because we live here, too. For more information about Lexington Utilities services and programs, please call

Let Lexington  
Utilities Help You  
Receive Up To \$550  
Dollars With Our Heat  
Pump/Water Heater  
Incentive

This fall it pays to go with the Lexington Utilities Heat Pump/Water Heater Incentive program. You can receive up to \$550 when you replace your old propane, fuel oil, or electric heating and air conditioning system, with a new Electric Heat Pump and Water Heater. It's a great time to get safe, clean and reliable service. If the thought of \$550 to spend on yourself or your home excites you call us today for details.

## Home Security Lights

## Go Natural This Winter

Call for more  
information and  
ask about our  
financing package.

With a new natural gas furnace, that is. Did you know that natural gas furnaces are up to 93% energy-efficient, so they're more economical than oil or propane heating systems? And you'll always be comfortable basking in the flow of your furnace's warm air. Finally, natural gas furnaces use clean-burning energy source, so they're safe for our environment. So go natural this winter and see your appliance dealer or building manager about a natural gas furnace.

## DIVERSITY:

*"Great achievements are not born from a single vision but from the combination of many distinctive viewpoints. Diversity challenges assumptions, opens minds and unlocks our potential to solve any problem we may face."*
