throws win ball games," Fuller said. "We missed layups and shot under 30 percent from the free-throw line. Reynolds made its free throws."

West, which led 17-8 at the end of the first quarter and 29-23 at the half, was attempting to go through the conference season without a defeat after downing Reynolds in their previous battle. Charles Jackson led the team with 21 points and 10 rebounds. Tyler Boardman scored 17 points and handed out eight assists. John Dobbins scored 10 points and grabbed 12 rebounds.

"I knew it would be difficult to go undefeated in the conference," Fuller said. "I am pleased that the kids were able to win the Central Piedmont Conference. They played hard all year."

West finished the season 15-5. The team captured the conference title by defeating North Davidson, Davie County

and South Rowan in their games leading up to the season finale.

The Titans defeated South Rowan 66-49 behind a balanced attack led by Lyle Musumeci's 17 points and five rebounds. John Dobbins was next with 14 points and five rebounds, followed by LeRon Buey with 10 points and 10 rebounds. Tyler Boardman dished out eight assists.

In their next game, the Titans captured an 88-57 win over Davie County. J.J. Cook and Dobbins led a balanced attack with 17 points each. Charles Jackson contributed 15 points and 10 rebounds. Musumeci and Boardman scored 10 points each.

Against North Davidson, Dobbins scored a career-high 32 points, handed out 10 assists, grabbed 10 rebounds and had five steals in an 86-49 victory. J.J. Cook scored 18 points, all in the first half, and Boardman scored 14 points and had 10 assists.

But after a 10-day layoff,

the Titans couldn't follow through in the second half to defeat Reynolds. West turned the ball over 14 times, including six in the fourth quarter, and also missed eight free throws.

"This was a great season for me to learn as a coach," said Fuller, who played at Wake Forest. "I picked up some intangibles that will help me in the future. I aspire to coach college basketball, but there can't be anything more enjoyable than high school basketball. Forsyth County has some great teams and I look forward to next season."

West had many highlights during its season. Boardman, a freshman, scored 300 points in 19 games for a 16-point average and averaged five assists in conference play. Dobbins scored 200 points in 10 games and had eight rebounds per game in conference play.

Jackson, a sophomore, averaged 13.7 points in conference play.

Reynolds

quarter before their fourth-quarter rally helped them to overtake the Titans.

"I was very proud of the guys for not giving in after being down by 15 and fighting back into the game to pull out the victory," said Jeff Overby, Reynolds' coach. "Our pressure defense was exceptional."

Brad Harris, who scored a game-high 24 points, led the fourth-quarter rally. He scored 11 of his points in the fourth quarter and finished the game with five 3-point field goals. Joe Fulp played his usual steady game on the inside for the Demons, scoring 20 points and grabbing 10 rebounds.

Danny Harris scored 10 points.

The Demons, whose roster was cut to eight players for their final three games, won their final six games of the season. They got three wins in the final week, which culminated in their victory over West. On Tuesday night, the Demons defeated Davie County 84-74. Brad Harris led the way with 20 points and Fulp added 18. Fulp also had 12 rebounds to lead the Demons' inside game.

"I was extremely proud of the guys for the way they handled the pressure at the end (of the game)," Overby said. "We played much better defense against a good-shooting Davie team this time. Our chemistry and composure were the keys to the win."

The next night the Demons

took a 70-44 victory over North Surry. Fulp led the way with 21 points and nine rebounds. Brad Harris scored 13 points and came up with three steals.

"This was a nice break away from conference play and it was good to get some playing time for guys who have been working hard and showed positive attitudes in practice," Overby said. "As a team, we played well and that was important heading into last Friday night's game against West Forsyth."

The Demons, who finished the season with a 16-6 record and 8-2 mark in the Central Piedmont Conference, had 12 assists in their win over North Surry.

Future Stars!

Coach Bill Hayes, head football coach at North Carolina A&T, stopped by Atkins Middle School last Friday to talk with eighth-grade students as part of the school's Black History Month celebration. Hayes, who brought along several of his football players, encouraged the students to do well academically and to prepare for the future by being good citizens.
