Guilford County Schools Request for Qualifications Architectural/Engineering Services

Guilford County Board of Education seeks to select individuals or firms experienced in design of public school facilities to provide architectural services for improvements and additions, including technology systems, for future school facilities.

Qualified individuals/firms should submit two (2) copies each of a completed Federal Standard Form 254 (or equivalent) and a completed Guilford County Schools Designer Qualifications Form to: Guilford County Schools Facilities Department, 900 English Road, High Point, NC 27262, Attention Mr. E J Deering.

Forms should be received no later than 4:30 p.m. on June 15, 2002, to insure consideration. To receive a copy of the Guilford County Schools Designer Qualifications Form, please contact the Facilities Department at the above address, or by telephone at (336) 819-2705. After review of the submitted qualifications, selected firms may be requested to make a formal proposal and presentation.

The Guilford County Board of Education is committed to providing equal opportunities for participation in all aspects of Guilford County Schools contracting. The Board of Education actively seeks to identify qualified minority, handicapped, and women-owned business enterprises and has adopted a verifiable goal of ten (10%) percent for participation by minority and women-owned business enterprises, and such business enterprises are encouraged to submit their qualifications.
