Stratapult, Inc. Call Center Manager

For more than 20 years, Stratapult, Inc. has been providing innovative technology solutions to its manufacturing and retail clients, built upon phenomenal customer service. We currently provide end-to-end creative e-Business solutions for over 1,000 organizations in a variety of industries including retail, consumer packaged goods, apparel, furniture and pharmaceutical. Stratapult's exceptional consulting team comes from diverse backgrounds in development, hardware, software, creative design services and consulting to deliver world-class solutions, value and relationships. We are currently searching for a Call Center Manager with strong experience in customer service management.

The incumbent would be responsible for managing day-to-day Call Center operations, ensuring that operations run smoothly and cost-effectively; supporting the Sr. Manager by serving in a lead role throughout the department and the company; acting as a knowledgeable resource for staff members and clients; delivering consistent high quality customer service; leading and developing Associates; responding to clients as appropriate.

Requirements include a minimum of 4 years of experience in a Call Center environment, or related field; and a Bachelor's degree (B.S.) from a four-year college or university with a degree in business, information technology or related field; or an equivalent combination of training and experience.

We offer a competitive compensation and benefits package that you would expect from an industry leader. If interested, please e-mail your resume and salary history to: recruiting@inmar-inc.com or mail to:
