At the Modern Automotive Network we are proud of the high caliber employees that make up our staff. Employees like these!

Meet Ronald Christie

Sales & Leasing Consultant - Modern Nissan

Ronald has always enjoyed looking at and learning about cars. In April of 2001, he came to Modern Nissan hoping to turn his hobby into a career. Over a year later, he still enjoys looking at cars, but enjoys selling them even more. His motto is, "Find something you really like to do and you'll never have to work again!"

Born in Newton, NC, Ronald spent approximately 20 years in Germany. Four of those years he served in the US Army, and the rest he lived as a civilian. Even when he was overseas, his Saturday afternoons were spent wandering automobile lots and looking at the different kinds of German makes and models.

Ronald believes that there is nothing else he would rather be doing than selling cars for Modern Nissan. He considers the staff and management here to be like family.

Meet Ken Glenn

Sales & Leasing Consultant - Modern Infiniti

Ken Glenn began selling Infinitis at Modern Infiniti of Winston-Salem in July 2002. He had previous experience at Rice-Marko Infiniti in Greensboro from 1996 to 1999. When asked why he returned to Infiniti, Ken said, "I am sold on the Infiniti line, especially after working for other companies for a few years. The quality of the Infiniti vehicle is head and shoulders above anything I have been associated with." Plus, he says he enjoys the atmosphere and camaraderie of the salesmen and managers who work together to achieve their goals. He says, "We really are a team here!" Ken was born and raised in Brown Summit, North Carolina, and he still lives there with his wife, Debra. Their three sons, Rodney, Craig, and Dante are all grown and living on their own. Ken completed his education at NE Guilford High School and Alamance Community College. When he's not helping customers at Modern Infiniti, Ken enjoys playing the guitar and participating at his church, Cathedral of His Glory. The hero in Ken's life is his grandfather, Clarence Lowe, whose accomplishments provide his inspiration. Ken Glenn has high goals for himself: matching happy customers with the Infiniti of their dreams and living up to his grandfather's memory. Come into Modern Infiniti of Winston-Salem to buy a car from a man who loves Infinitis just as much as you do!
