We reserve the right to limit quantities. \*Ask for Zero Payments and Interest for 12 months. Payments not required for 12 months on any approved single-receipt, in-store purchase of \$299 or more charged to your Lowe's Consumer Credit account now through 7/05/04. Finance charges and optional credit insurance/debt cancellation charges on your promotional purchase will be billed from the date of purchase, but finance charges will be reversed if you pay the promo purchase and any related credit insurance/debt cancellation charges in full within the promo period. If you do not, you will be responsible for these finance charges. Although payments are not required on your promo purchase during the promo period, payments received during this period will in many cases be allocated to your promo balance before any non-promo balance. This may result in higher finance charges than if payments were allocated differently. Call (888)964-6973 for more information or to request a different allocation method we offer. Regular credit terms apply to non-promo purchases. APR is 2% (13.9% for purchases of \$2,000 or more). Min. finance charge is \$1.00 (\$1.50 in IA). Offer subject to credit approval. Excl.
