## Rising football star scores in the classroom

SPECIAL TO THE CHRONICLE

Many know Rakis Wilds Bailey as the "Wonder Boy" who mesmerized local football fans with his swift moves on the field.

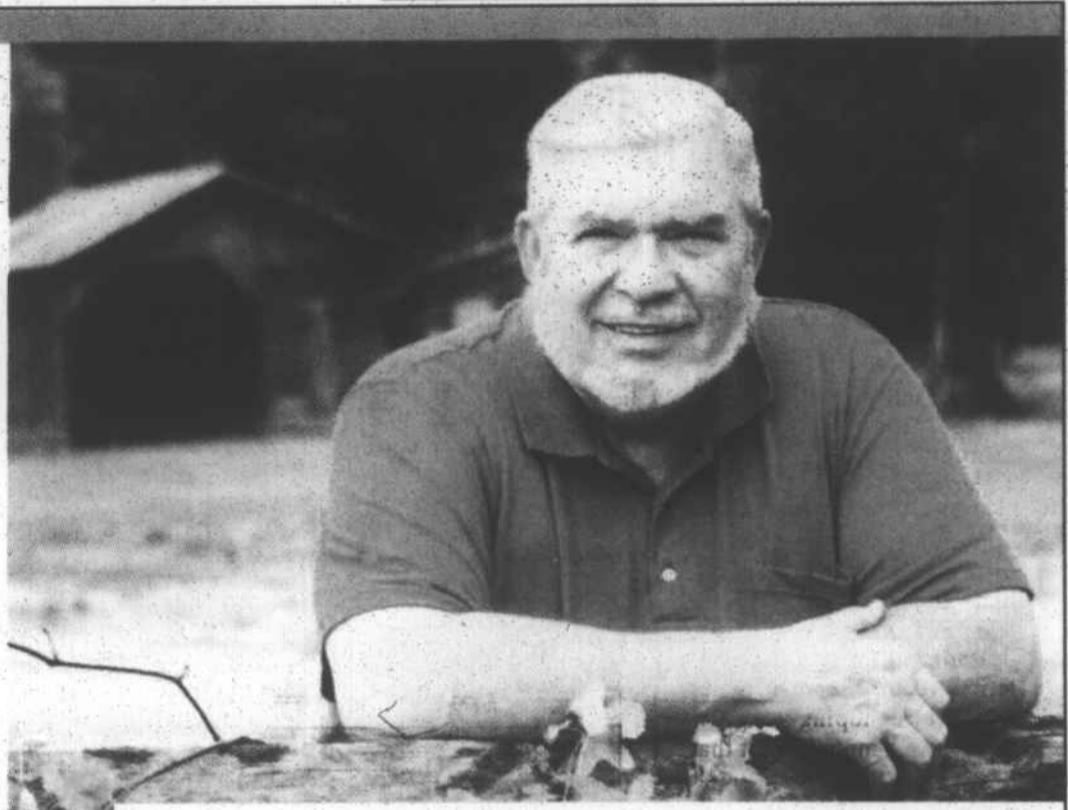

But few are aware of his outstanding achievements off the field, when he is not wearing his North Forsyth crimson, white and blue jersey. On Monday, May 18, Bailey was inducted into the North Forsyth High School National Honor Society, as a result of the 3.97 GPA he has maintained in honors courses since his freshman year.

He has been selected as a Junior Marshall for the upcoming North Forsyth Commencement Ceremony.

This week, from May 28-30, Bailey is at the University of North Carolina at Chapel Hill participating in Project Uplift. Members of Bailey's family have and will continue to cheer for him on the football field and root for his many academic victories as well.

## GETTING A GOOD NIGHT'S SLEEP THANKS TO WAKE FOREST BAPTIST

LIKE MILLIONS OF AMERICANS, Bill Davis knows that getting a good night's sleep isn't always easy.

He said, "Because I had sleep apnea, I got minimal rest. It was very difficult to get through the day."

Fortunately, Bill got help from the Sleep Disorders Center at Wake Forest Baptist. We worked with Bill to find his best treatment option, a bi-pap (bi-level positive airway pressure) machine. "Now I'm getting the sleep I need," he said.

**Our Center is accredited by the American Academy of Sleep Medicine. And we treat everyone, children and adults.**

- So if you suffer from:
- insomnia
  - sleep apnea
  - snoring
  - restless leg syndrome
  - sleepwalking
  - nightmares
  - narcolepsy

or even if you haven't been diagnosed yet, call us, because you deserve a good night's rest.
