

every woman has a story.
WE'RE THERE FOR EVERY CHAPTER.

Introducing the Maya Angelou Center
for Women's Health & Wellness,
now open at Forsyth Medical Center.

... ..

Women and men have very different needs, especially when it comes to healthcare. Inspired by the fierce individuality of one of the most celebrated poets, authors and educators of our time, the new Maya Angelou Center for Women's Health & Wellness offers expertise and specialized care to meet the unique needs of women. Our experienced physicians and staff consider your health history and personal preferences when designing care to fit you – from birth through midlife, menopause and more.
