

Smart Start book drive to launch

SPECIAL TO THE CHRONICLE

Local Kiwanis Clubs and Smart Start of Forsyth County, Inc. have come together for the eighth year to launch a book drive for children ages birth to five.

The book drive is a campaign designed to generate book donations for placement in early childhood classrooms and Smart Start, Inc.'s parent resource bags. These bags are given to new parents and contain information that parents need to provide a healthy, happy, and safe beginning for their children. Each bag also contains a new or gently used children's book. The Kiwanis Clubs in Forsyth County support the drive by donating books on behalf of their speakers and encouraging their members to give to the drive.

Gnostics' notion that the physical is evil is crushed by the apostle. Jesus died a physical death to redeem. How then could that be evil? While there were others who were raised from the dead, Jesus is the only one to die once. There is no need to add anything to the Gospel; it is complete! Therefore, Jesus is superior in the church. Finally, Paul reminds the church of their Redemption.

Knowing something special and obedience to the Law did not and will not save. The God-man whose blood was shed for the remission of sins is the only Salvation needed! The Gnostic ideology is a fluke because Jesus died in the flesh! That can't be

4 and ends April 30. Smart Start hopes to collect more than 10,000 new or gently used preschool books. Books in Spanish and books for infants are especially needed. evil, no matter how you twist it.

Application: Before getting caught up in the "new," examine it first! That implies that the believer needs to know what the Scripture says. Studying alone is OK but hearing how God reveals Himself to others actually helps you grow too. Don't follow the crowd! Have you thought they could be wrong? If you are searching for completeness, wholeness, and/or peace; Jesus is the answer, Jesus alone.

False doctrine may appear inspiring at first, but it will lose its shine! Be rooted in Jesus who is the real thing. He is supreme over creation, in the church and for redemption. Praise HIM with your life, not just you lips!

\$5 rabies vaccinations available Saturday

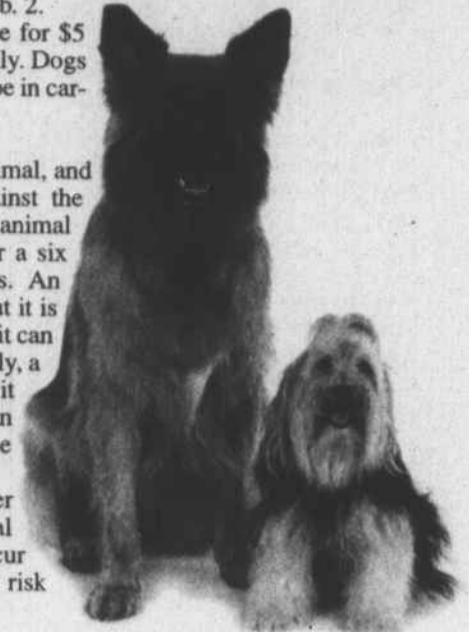

SPECIAL TO THE CHRONICLE

A low cost rabies vaccination clinic, sponsored by the Forsyth County departments of Public Health and Animal Control, will be held at the Forsyth County Animal Shelter, 5570 Sturmer Park Circle, on Saturday, Feb. 2.

One-year vaccinations will be available for \$5 from 9-11 a.m. for dogs, cats and ferrets only. Dogs must be leashed, and cats and ferrets must be in carriers.

Rabies vaccinations are essential. If a dog or cat is exposed to a rabid animal, and does not have a current vaccination against the rabies virus, public health law requires the animal be tested for the virus, or quarantined for a six month period of observation for symptoms. An animal can harbor the virus for months, but it is only within the last few days of its life that it can be transmitted through a bite. Unfortunately, a dog or cat must be euthanized in order for it to be tested and not many pet owners can afford the cost of the six-month quarantine at a veterinarian hospital.

In 2012, Forsyth County Animal Shelter officers responded to 927 reports of animal bites and exposures. Most exposures occur from pets coming in contact with high risk wildlife such as raccoons.

Contact the Forsyth County Animal Control Department at 336-703-2480 for more information.
