SAVINGS BANK

Straightforward, commonsense banking.

Piedmont Federal is your home mortgage team. We offer home mortgages that start and stay right here, in our community. We're close by with loan officers that get to know you, for a neighborly approach to banking. We're happy to talk with you about a home mortgage, checking and savings products, or just how the big game went last night.

It just makes common sense to have a home field advantage.

Our first-time homebuyers mortgage program helps first-time homebuyers get started. Learn more at piedmontfederal.com.
