

# MIKE BLOOMBERG

## DEMOCRATIC PRESIDENTIAL CANDIDATE

As someone who has been very lucky in life, I often say my story would have only been possible in America - and that's true. But I also know that because of the barriers of discrimination, my story likely would have turned out very differently if I had been black, and that more Black Americans of my generation would have ended up with far more wealth, had they been white. That's why as President, I'm committed to act to build generational wealth for Black Families.
