

REGAL SHOES

The Best Dressed Men in Winston-Salem Are Wearing Regal Shoes

It isn't simply because of their genuine custom-made style and splendid wearing quality that REGALS are so greatly favored by the most particular men in Winston-Salem. There's another reason. It is their comfort. The feeling of perfect ease which REGALS afford in every line and curve of the foot is due to nothing less than expert modeling and the exclusive REGAL quarter-size fitting.

I Never Saw Anything Like It!

The people are waking up. They are beginning to find out that "hot-air" and "fancy prices" do not save teeth. There is as much difference between the class of work I do and that done by some other dentists as there is between a \$5,000 automobile and a Wilkes county chestnut wagon. With all that, my prices are less than Association prices. I have been rushed for the last few months, but if you want work make engagements ahead.

Wishing everybody a pleasant Xmas (especially the Association Dentists,) I am at your service guaranteeing the best work procurable for 1909.
