Renewed Interest in

The Red Cross Work

Feeling at present that one of the most important activities in which the ladies of the Twin-City can occupy their time is the Red Cross work, and knowing that for some reason its urgency is not understoos, we will try this morning to state a few facts which we feel will appeal to many who have not been giving their time. In the first mace, don't let some one class do double work because you fail to meet your obligation.
