Original Submarine and Its Inventor

JOHN P. HOLLAND
In this day when the Germans have developed the submarine to an extent not foreseen by those persons who ridiculed John P. Holland, the American inventor, Dr. Gibbons has taken means to join their memories. He bought the original hulk of the Holland recently, and this photograph shows it being prepared for parade thru the streets of Philadelphia Columbus Day. Dr. Gibbons has given the vessel to New York City to be permanently exhibited in the Museum of peaceful arts.

SERIOUSLY HURT IN AUTOMOBILE ACCIDENT TODAY

Rev. Mr. Adkins, of Mt. Airy, Sustains a Number of Painful Injuries.

AUTOMOBILE TURNS TURTLE AT BETHANIA

Rev. J. W. Simmons, Also of Mt. Airy, Sustains Some Painful Bruises.

An automobile accident causing serious injuries to a well-known Mt. Airy minister occurred early this morning on the road from Mount Airy to Winston-Salem, near the residence of Mr. Eugene Ebert, at Bethania.

An automobile containing three men completely turned turtle, badly injuring one of the occupants and bruising up another more or less severely.

As the result, Rev. Mr. Adkins is lying in a hospital at Mount Airy in a serious condition, while Rev. J. W. Simmons, also of Mount Airy, is suffering from several painful bruises. The third passenger, whose name could not be learned, escaped uninjured and he continued on to Winston-Salem, the three having started to this city.

D. Speas, a well known physician of the Bethania section, was one of the first to reach the scene after the accident. He found Rev. Mr. Adkins with one eye almost torn out; the lower jawbone broken and the flesh torn from the lower lip. The nose is broken, there is a bad cut on the head, bad bruises on the left side jaw below the heart and bruises about the bowels.

An examination of Rev. Mr. Simmons showed that he was not seriously injured.

Dr. Speas placed Rev. Mr. Adkins in his automobile and rushed him to the station at Bethania in time to flag the passenger train leaving here at 9:30 o'clock for North Wilkesboro. The injured man was placed on the train and carried back to Mount Airy from which place the start was made early this morning.

According to reports received, the three gentlemen were coming to Winston-Salem to attend a meeting of the Farmers' Union. They had reached a curve at Bethania, when the rear wheels began to skid and the car turned completely over, pinning the occupants beneath it.

The machine is badly damaged.

JURORS MAY TAKE BLACK CASE TODAY

Adopted Daughter of Anti-Catholic Lecturer Not to Be Witness.

Galveston, Tex., Oct. 27.—Sadie E. Black, adopted daughter of William Black, anti-Catholic lecturer, will not be a witness at the case of John Copeland, on trial here in connection with the killing of Black, it was stated by attorneys for the state when the trial was resumed today.

A telegram announced the inability of the witness to attend. Counsel for the state said they had exhausted every means of bringing the girl here, but could not legally compel her attendance.

Indications were that the case would be given to the jury tonight.

DEATH LIST NOW PUT AT NINETEEN

Five Children Among Those Losing Lives in Canadian Hospital Fire.

Farnham, Quebec, Oct. 27.—The ruins of the St. Elizabeth hospital, destroyed yesterday by fire, had sufficiently cooled today to permit a search for bodies. The Grey Nuns, who conducted the institution, announced that an inquiry indicates that the death list will stand at nineteen, including five children.

Farnham was under police guard during the night as the result of several small fires, which led to the suspicion that incendiaries had been at work.

WARNED TO BE READY FOR ATTACK

U. S. Commanders on the Border Are Apprised of Alleged Plot.

PROMPT ACTION TAKEN

Is Bandit Assault Planned by Some of Administration's Enemies?

Washington, Oct. 27.—Government officials hoped today that the publication of Secretary Baker's statement that the War Department had received word that another Mexican bandit attack on the American border or American troops had been planned by enemies of the administration would have the effect of causing the abandonment of the plot.

Commanders of the American forces received warning, however, and were expected to take extra precautions against the attack, which the War Department's information indicated, would occur before election day.

The Department of Justice was investigating the report in an effort to prosecute any persons who may be directing the plot from the American side of the border.

Attack Villa Followers.

Field Headquarters, American Punitive Expedition, Mexico, Oct. 27, by radio to Columbus, N. M.—A party of thirty-five cowboys from the Santa Anna ranch, one of the Hearst properties, near Badicora, attacked and defeated a detachment of Villa's followers, about three miles from Geronimo, according to a report today at field headquarters. The number of casualties is not given, but it is stated that two of the bandits' officers and two privates were captured.

SEVERAL BRIEF STOPS ARE MADE

President Shakes Hands at Number of Points—Only One More Trip.

On Board President Wilson's Special, Grafton, W. Va., Oct. 27.—On his way from Cincinnati to Long Branch today, President Wilson made several brief stops in West Virginia and Maryland to shake hands with people gathered at the stations. He is due to arrive at Shadow Lawn at ten tonight.

The President will not return to the middle West again before the election. His only remaining trip away from Shadow Lawn before November 7 will take him to Buffalo, N. Y., November 1 and to New York City, November 2. He plans two more speeches at Long Branch, one tomorrow and the next on November 4.

WAKE MAN CHARGED WITH KILLING WIFE

Raleigh, Oct. 27.—Mrs. Edward Mangum, of the Falls of the Meuse section of Wake county, was shot and killed today by her husband, according to Mangum's step-children, who were the only witnesses to the affair.

Their mother, according to the children, was struck with a stick and while unconscious, Mangum fired a pistol bullet thru her head.

Mangum and his wife, who was from Durham county, were married about eight months ago. He was brought here and placed in jail. Mangum last year was committed to the ward for the criminal insane in the state prison here by the Wake county authorities for disturbing public worship. He remained there several months but was discharged when he had apparently regained his reason. It is believed he killed his wife while in a fit of insanity.

POSSE LOOKING FOR GUILTY MAN

Are Making Vigorous Search for Assailant of Alabama Woman.

Birmingham, Oct. 27.—A sheriff's posse, accompanied by a mob of armed citizens, early today resumed search in the Woodlawn section near here for the negro who late yesterday attacked a white woman in her house at Woodlawn.

With two bloodhounds the man hunters are searching in the vicinity of the Gate City. At an early hour no clue to the woman's assailant had been obtained.

Officers believe the negro boarded a train soon after committing the crime. The woman, who was badly beaten and struck on the head, remains in a critical condition.

Condition Critical.

Birmingham, Oct. 27.—The woman who late yesterday was attacked by an unidentified negro at her home in Woodlawn today told the police that, if the negro is captured, she wants him brought to her so she can kill him herself. The victim, who appeared to be slightly improved early today, has taken a turn for the worse and physicians say her condition is critical.

"If the negro is captured," she said, "I want you to bring him to me so I can kill him myself—that is, if the members of the posse are not men enough to do so."

After a search lasting yesterday afternoon the woman, describing to the police how the negro attacked her, said her assailant, after threatening to kill her if she screamed, struck her on the head with the butt of a pistol. Her three-year-old daughter, who was asleep at the time, was awakened by the noise and when the child screamed the negro struck her daughter on the head, cutting a gash over the right eye.

SAYS THE GERMAN ATTEMPT FAILED

Ten Torpedo Destroyers Try to Raid Cross Channels Transport Service.

London, Oct. 27.—Then German torpedo boat destroyers attempted to raid the British cross channels transport service last night, but the attempt failed, says an official statement issued by the British admiralty. Two of the German destroyers were sunk and the others driven off.

One British torpedo destroyer, the Flirt, is missing, the British statement adds, and another destroyer, the Nubian, was disabled by a torpedo and ran aground. Nine members of the crew of the Flirt were saved.

ANOTHER HEARING ON DRAINAGE MATTER

At a late hour this afternoon, Mr. C. M. McKaughan, clerk of the superior court, had not rendered his decision in the Muddy Creek drainage matter, which was heard before him for the second or third time in the grand jury room of the courthouse this morning. A large delegation of farmers and other citizens from the Muddy Creek section was present.

This case was heard before Mr. McKaughan some time ago. The matter was then taken to the superior court, where a referee was appointed. His decision failed to settle the matter and now the case is before Mr. McKaughan again.

BRITISH SOLDIER DISARMS 102 MEN

Notable Exploit of Private Thomas Jones Wins a Victoria Cross.

London, Oct. 27.—One of the fifteen Victoria crosses, the awards of which are made in today's London Gazette, goes to Private Thomas Jones who, according to the official account, after killing three snipers who were shooting at him, entered the German trenches and single-handed, disarmed 102 Germans, including three or four officers, and marched them back to the British lines thru a heavy fire.

PRESIDENT ON OUR FOREIGN RELATIONS

Cincinnati, Oct. 27.—Taking advantage of a strenuous visit to Cincinnati to discuss the relation of the United States to the European war, President Wilson yesterday declared that "this is the last war that involves the world that the United States can keep out of." He gave also as his reason his belief that "the business of neutrality is over" and that "war now has such a scale that the position of neutrals sooner or later becomes intolerable." He added that the nations of the world must get together and say "nobody can hereafter be neutral as respects the disturbance of the world's peace for an object which the world's opinion cannot sanction."

After denying the Republican claim that the business prosperity of the United States during the last two years has been due to trade created by the war, the President ridiculed predictions that after the war Europe will overwhelm this nation by its economic strength and "dump" in the United States goods now being stored up for that purpose. He asserted that exports of everything that goes to supply armies makes only one per cent of the total of American commerce.

"We ought not to turn to these people in fear, but in sympathy," said the President. He added: "We have means of defense, and we have means of aggression. Our means of defense are that we have taken pains to have all the instrumentalities to find out exactly what is going on and to be ready to act immediately we find that it is necessary to defend ourselves."

The President was busy from the time he arrived here, shortly before noon, until he left for Shadow Lawn at ten o'clock, delivered four speeches, participated in an official reception and took a ride thru the streets and parks of Cincinnati at the head of a short automobile parade.

Crowds which packed the streets for blocks, filled windows in buildings long streets thru which he moved, and crowded the halls in which he spoke, cheered the President almost continuously. During his rides about the city he remained standing in his automobile waving his hat to the crowds. Bombs bursting in the air high above the city added to the din.

HUGHES ADDRESSES UTICA AUDIENCE

Utica, N. Y., Oct. 27.—Charles E. Hughes today told an audience here that a note for him, far from being a vote for war, was a vote for lasting peace. Mr. Hughes also declared that he would "leave to the Secretary of War his difficulties in the effort to extricate himself from the unfortunate suggestions which were reported to have been made by him in a recent utterance."

BEING HARD PRESSED BY THE ENEMY

Sofia Reports Forces in Flight—Petrograd Admits Retirement.

ACTIVITY ABOUT VERDUN

The French Are Driving Again at the German Line There.

The Teutonic armies are pressing the retreating Russo-Roumanian army hard in Dobrudja.

Sofia reports this army in flight towards the further reaches of the Danube and Petrograd admits the retirement towards a new line more than forty miles north of the Constanza-Tchernavoda railway. The Russians and Roumanians are fighting hard as they retire, Petrograd declares.

In resisting the Austro-German front in Roumania from the northwest the Russo-Roumanian forces are having more success.

Roumanian troops have made further progress in Transylvania, the Russian war office reports.

Before Verdun the French are driving again at the German line after having, according to Paris, repulsed numerous counter attacks in an effort to recapture Fort Douaumont and other positions in their great drive of last Tuesday. In a fresh attack last night the statement declares the French scored advances west and south of Fort Vaux, losing in further along the important works.

Berlin declares that a French attack yesterday in the region east of Fort Douaumont was repulsed with heavy losses.

Apparently the Germans are preparing for further attacks as Paris reports the violent bombardment of the French line of Fort Douaumont and the Chenoux wood.

On the Somme front Berlin announces the breaking up by German guns of a French attack in preparation south of the river.

In Volhynia and elsewhere along the Russian front, the German war office reports the repulse of Russian attacks.

SATURDAY WILL BE DEMOCRATIC RALLY DAY IN FORSYTH

Saturday, which has been designated as Wilson-Bickett Day in North Carolina, will be made a big rally day in Forsyth county. Addresses will be made at four points in the county and conferences of Democrats will be held in practically every township in Forsyth.

Chairman Stockton has announced the following appointments for special speakers for Saturday:

Hon. Thomas J. Gold, elector for the fifth district, will speak at the Clemmons Farm Life and High School.

Hon. Walter Murphy, of Salisbury, is on the program for a speech at Kernersville on the same night.

Judge E. B. Jones, of this city, will speak at the Hickory Ridge schoolhouse in Bethania township.

Messrs. A. F. Sams and Fred M. Parrish will address the voters at Hege's store in Broadway township.

All these speakings will be held Saturday night and the speakers will doubtless have something of interest for those who meet them at these places.
