SEALS ON SALE FOR CHRISTMAS PACKETS

For the reason that Christmas packets must be sent by the Red Cross November 15, and again for the reason that every packet will be expected to thru Red Cross Christmas seals, the sale of seals was allowed to begin this year November 5. This was the order of Dr. L. B. McBrayer, executive sec-retary of the State Red Cross Seal ommission, to all agents or chairmen of local Red Cross Seal committees.

"All local agents will be expected to have their supply of seals on hand and ready for sale before November 15," says Dr. McBayer who believes every Red Cross chapter as well as the people in general, in making up their Christmas packets for the boys, will be glad to place one or more Red Cross Christmas seals on every pack age they send. He says seals will be sent to any person acting as chairman of a local committee who will make the request. "We have four million seals with which to supply your needs. We trust you will sell three times as many as you did last year. If you can sell more than your present order call

"At this time." says Dr. McBrayer, "when patriotism beats in every heart and warms the blood as it courses the veins, we should all take special pride in the Red Cross Seal campaign, because tuberculosis is Germany's great-est ally. It has killed as many soldiers as Germany has killed with artillery; it has sent as many soldiers home as invalids as the German artillery has sent home wounded. We should go to the Red Cross Seal campaign this year with renewed energy."

Thrift has been greatly encouraged among the members of each one of the score of credit unions in North Carolina, according to Mr. Camp, and he is gratified of learn of the cordial response that is being made by the societies to the governor's call.

If you are suffering from ringworm or similar itching, burning, unsightly skin affection, bathe the sore places with Resinol Soap and hot water, then gently apply a little Resinol Ointment. You will probably be astonished how in stantly the itching stops and heal-ing begins. In most cases the sick skin quickly becomes clear and healthy again, at very little cost. Resinol Ointment and Resinol Soap also clear away pimples, redness, roughness and dandruff. Sold by all druggists
