SPECTRE OF BOLSHEVISM APPARENT

HAS RECEIVED RECOGNITION AT GERMAN CAPITAL
Strength of the Movement, First Very Small, Is Constantly Growing
KAISER VISITED BY DUTCH OFFICIAL
Status of Former Emperor of Germany Is Not Definitely Settled

(By The Associated Press.)
The transition has almost been completed in the great conflict, the nations which have been united to meet the problem of the future which appears to be more serious than of the past.
The Kaiser's visit to the Netherlands is a significant event in the history of the war. It is the first time since the outbreak of the war that the German Emperor has been seen in a foreign country.
The Dutch official who accompanied the Kaiser was a high-ranking member of the Dutch government. His presence at the Kaiser's side is a clear indication of the Dutch government's attitude towards Germany.

Further short selling is to be abolished
Order is made by the War Industries Board as to Cotton Exchanges
Resulted from undue short selling Tuesday
Announcement on subject is made by chairman of the committee of board

Positive Proof That Sentinel Was First
The Morning Journal, still chagrined at being beaten decisively by the Sentinel on the biggest news event of recent years, makes another ridiculous effort this morning to divert the attention of the public from the fact that the Sentinel, an afternoon paper, was the first to announce the armistice terms. It is a well-known fact that the Sentinel was the first to announce the armistice terms on the morning of November 11, 1918.

REFUSAL OF GERMAN REQUEST

Allied High Command Says Terms Cannot Be Changed At This Time
TEXT OF THE MESSAGE
Supplementary Period of 14 Days For Evacuation Had Already Been Added

London, Nov. 13.—The allied high command has sent to the German high command by French wireless a message that there can be no modification of the conditions of the armistice, including the annexes at this time.
It is added that a supplementary period of twenty-four hours for the evacuation of Belgium, Luxembourg and Alsace-Lorraine has been added to the fourteen days stipulated in the original text, so as to permit the text to reach German headquarters at the desired time.
The message reads: "At present no modifications can be made to the conditions indicated by the terms, including the annexes, at the time of the signing of the armistice."
"A supplementary period of twenty-four hours for the evacuation of Belgium, Luxembourg and Alsace-Lorraine has been added to the period of fourteen days stipulated in the original text so as to permit the definite text arriving at the desired time at German headquarters."

Appeals of Little Avail
Washington, Nov. 13.—Appeals of the German armistice envoys to Marshal Foch for modification of the terms of surrender were of little avail. This is indicated by the amended terms, which were published today. Close survey of the amendments show few deviations in essential details from the original draft which was announced Monday.

Drop in Active Month
New Orleans, Nov. 13.—Prohibition of further speculative short selling on the New Orleans and New York cotton exchanges announced by the war industries board has resulted in a sharp drop in active months. The limit allowed at one session under the war time rule. Some demand which sprang up, however, raised prices 75 to 100 points from the bottom.

Red Cross Workers Busy Packing Christmas Boxes for Our Army of Boys "Over There"

Peace or war, our fighting men "over there" are to have their Christmas presents. This picture shows Mrs. Clarkson Rusyon, one of the Red Cross workers who have been busy preparing packages for the thirty-first Regiment Artillery, New York City, for the boys overseas. Before her are spread the contents of one of the cartons approved by the government. The assortment of smokes and candy will probably bring forth thousands of "Oh boy, see what I got!"

AMERICA WILL AID GERMANY IN FOOD CRISIS EXISTING

REASSURING MESSAGE SENT TO THE PEOPLE BY PRESIDENT OF U. S.
It Says Steps Are To Be Taken To Organize Relief Work As In Belgium
DESIRES ASSURANCE AS TO PUBLIC ORDER
A Guarantee of the Equitable Distribution of Food Is Desired

Washington, Nov. 13.—President Wilson has sent a reassuring message to the people of Germany in reply to the appeal from Chancellor Ebert. He promises to aid Germany in the matter of food supplies and in relieving distressing want.
The reply was sent today by Secretary Lansing thru Minister Bulmer of Switzerland, which delivered yesterday Chancellor Ebert's request for intervention by the President to mitigate the "fearful conditions" threatened thru enforcement of the armistice terms.

It says steps are to be taken at once to organize relief work in the same systematic manner it was carried out in Belgium, but that the President desires to be assured that public order will be maintained in Germany and that an equitable distribution of food can be clearly guaranteed.
Secretary Lansing's note to the Swiss minister, dated November 12, follows:
"I have the honor to acknowledge the receipt of your note today, transmitting to the President the text of a cable inquiring whether this government is ready to send foodstuffs into Germany without delay if public order is maintained in Germany and that an equitable distribution of food is guaranteed."
"I should be grateful if you would transmit the following reply to the German government:
"At a joint session of the two houses of congress on November 11 the President of the United States announced

CAMPAIGN NOTES
"Every Donation a Thank Offering To The Boys Over There" is the slogan of the campaign. Every team member and every person solicited should keep it in mind.
It is repeated that it will be of much assistance if everyone who can will go to headquarters today and make a subscription. This will be of advantage in relieving the canvassers of work tomorrow. Those who are out when the canvassers call or who are overlooked in any way are also asked to give at headquarters.
Housekeepers are requested to be at home tomorrow morning prepared to make a subscription to the United War Work fund. These subscriptions are to be separate from those of the men of the family. It is requested that each housekeeper give an amount equivalent to a day's household expenses.
Headquarters will be located thruout the week in the store room on Liberty street, next to Eled Bros. Those wishing to ask about matters pertaining to the campaign should call there or telephone. The phone number is 716.

EXPECTED TO BUY A DUTCH ESTATE

Ex-Kaiser To Stay In Holland On Same Terms as Other Interned Officers
London, Tuesday, Nov. 12.—Holland will permit Will, in Hohenzollern to remain on Dutch soil on the same terms of internment as other high officers of the German empire. He has taken the name of Count Hohenzollern and is expected to buy an estate and remain in Holland, according to an Amsterdam dispatch to the Exchange Telegraph Company.
The Telegraf of Amsterdam says he was allowed to take only his personal property from the train, the non-personal property which was brought to Holland being confiscated as he usual in internment of American dispatches stated that the former emperor had taken a carload of archives with him into Holland.

Received Sudden Request
Amst. lam, Tuesday, Nov. 12.—Count von Bentinck, at whose palace the former Emperor is staying, today told the Handelsblad that it was only yesterday afternoon that he received a sudden request from the Dutch government asking him to accommodate William Hohenzollern and his suite, the number in the retinue not being given. As the party numbers about fifty the majority of the members are being lodged in neighboring hotels.

Accompanied By Few Generals
Amsterdam, Tuesday, Nov. 12.—A few aged generals accompanied William Hohenzollern on his flight to Holland. When they reached the frontier they were stopped by Dutch frontier guards who sent for General Onnen, chief of the internment service and some local authorities. After being introduced to the former emperor, General Onnen entered the automobile which had crossed the frontier and drove off. The bystanders blessed the former German war lord.
Says Journey Not Flight
London, Nov. 13.—A published statement which the former German emperor wishes to be regarded as his reason for going to Holland says that the journey was not a flight, according to an Amsterdam dispatch to The Daily Telegraph. His departure from Germany was actuated by a desire to facilitate the work of the new government.

Proclaimed Part of Republic
Copenhagen, Nov. 12.—German-Austria has been proclaimed a part of the German republic by the state council, says a dispatch from Vienna.
Public Opinion in Indefinite Shape
London, Tuesday, Nov. 12.—Holland's hesitancy in dealing with William Hohenzollern is ascribed to the extremely indefinite state of public opinion in Holland by the Amsterdam correspondent of The Mail. He says that German revolutionary soldiers along the Dutch frontier say that they were strictly ordered to prevent the former emperor and his family from escaping into Holland.
Late Saturday night and shortly after six o'clock on Sunday, he says, the sound of cannon could be heard from German territory. It was reported that a fight had taken place between revolutionists and royalist troops and that both sides had used artillery.

FINAL PLANS TO BE MADE FOR THE DRIVE TOMORROW

Members of Various Teams, Over 100 In Number, Will Make Thoro Canvass
HOUSEKEEPERS WILL HAVE PART IN CAMPAIGN
Asked To Give a Day's Expenses—Big Industries Drive—Other Features

Tomorrow is United War Work Thank Offering Day.
The local drive for funds with which to sustain the welfare of the boys at the front, thru the agencies in the united war work campaign, will begin tomorrow morning, continuing all day. Around one hundred thousand dollars should be reported in hand at the close of the day. To do it every man, woman and child in the city must do his or her utmost in contributing to this essential war relief and soldier welfare fund.

On every hand there is displayed the greatest enthusiasm, and if contributions tomorrow are in proportion, Winston-Salem will have reiterated its loyalty to the nation and given a splendid expression of appreciation of the immense task which the boys of this community have aided in doing, and which they will during the next few months complete, making a glorious record of accomplishment in the world's history.

Preliminaries to the campaign are going forward and practically the last detail is in readiness for the big drive. This evening a supper will be served at the Young Women's Christian Association building for the one hundred or more workers who will actively direct or participate in other ways in the drive tomorrow.

An interesting and inspiring program for this gathering has been arranged. Important matters pertaining to the campaign will be explained and various features will be finally discussed. Several short talks will also be features of the gathering of the workers this evening.
Early tomorrow every worker will be in the field, gathering up the contributions from those who are appreciative of the service and sacrifice which the American boys had made for the protection of the American nation and its homes.

Each donation will be a thank offering for this service, and each should be commensurate with the service which recent developments have proven that the boys cheerfully and so promptly rendered their country and their community.
The first returns from the campaign will be reported at a luncheon which will be given at the Young Women's Christian Association tomorrow at 12:30 o'clock. Again at 6:30 o'clock in the evening the workers will assemble at the Y. W. C. A. building for final reports on the day's activities. It is at that meeting that all subscriptions are expected to be in and a final accounting made.
Attention is called to the statement (CONTINUED ON PAGE TWO)
