Railroads Figure on That Increase In East, One Cent In West, Meet Wage Increase

HALF CENT HIGHER

Washington, July 23 .- An increase of 20 per cent in passenger fares and 50 per cent in Pullman charges was asked of the Interstate Com-H LAST ON CARD merce Commission today by the railroads to cover part of the \$600,-000,000 wage award of the railroad labor board.

Additional increases in freight rates, ranging from 10 per cent in the Eastern territory to 8 per cent paign attained full speed in the Western territory also were The executives requested increases in the freight rates on milk proportionate to the increase in the rates on other commodities made in the roads' first applications for

The increases in passenger, freight and milk tariffs, said Alfred P. Thom, counsel for the executives, an acceptance will take care of the total of \$626,-interpreting the 000,000 which the executives estimate is added to transportation costs by the labor board's award. Mr. Thom explained that the addi-tion \$25,000,000 over the board's award was accounted for by certain overtime charges provided for in the award.

asked by the executives today are in addition to those previously asked. If the commission grants all of the demands, freight rates in the East will be advanced 40 per cent and those in the West 32 per cent. The sthustarm ruled the day as exact advance in the South has not been computed, but probably will be

s allway passenger trains will cost from 1-2 half to one cent a mile more if the Interstate Commerce Commission adopts the suggestion of the Association of Rallway Executives for meeting the \$60,000,000 added operation expenses by reason of increased operation expenses by reason of increased wages granted to employes of the roads by the labor board. A schedule of increased rates, both freight and passenger, has been worked out by the executives in conference here during the last two days and this was expected to be ready today for submission to the commission.

According to A. P. Thom, counsel of the commission to the commission.

According to A. P. Thom, counsel of the railway association, in addition to five railway association, in addition to increased passenger fares, in the commission to the commission.

According to A. P. Thom, counsel of the railway association in addition to increased passenger fares, in the commission of the commission.

According to A. P. Thom, counsel of the termination and multiple tickets and Pullman charges, the carriers will ask that milk and express a proportion of the increased labor experience in the proportion of the increased labor experience in the proportion of the increased labor experience in a proportion of the increased labor experience in a proportion of the increased labor expected to the content of the premises, order was recond round this sterenoon, and the second round this sterenoon and turther thanks the convention and afternoon yielded the convention method.
