### ATTEMPTED SUICIDE IN THE CITY JAIL

Negro Woman Held For Failure To Pay Fine For Drunkenness, Attempts to End Life by Choking

Willis Aiford, a young colored woman, attempted to commit suicide in the city jail this morning, where she was confined because of failure to raise a small fine and the costs in a case, charging her with drunkenness. When Luther Brown, turnkey at the jail, went to the cell on the third floor of the municipal building about 8:45 a. m., to bring the prisoners down to the court room, he saw the colored woman lying in a hammock apparently asleep. He called to her, but received no answer. An examination revealed a necktie wrapped several times around her neck and tied as tight as possible in a hard knot. Mr. Brown hurriedly summoned a policeman and they untied the knot. In a few minutes the woman revived and, when able to talk stated that she would rather be dead than living, because of the trouble she was in. Mr. Brown stated that he felt sure the woman would have been dead in a few minutes if he had not found her when he did.

### DRIVING A CAR WHILE DRINKING BRINGS FINE

H. T. Willard Pays Total of \$70 And Costs For Using Main Street As a Speedway; Arrested Yesterday

H. T. Willard, charged with operating an automobile while under the influence of whiskey, also with speeding, plead guilty to both charges at his trial in the municipal court this morning. The minimum fine of \$50 and the costs was imposed in the former case and a \$20 fine was ordered in the speeding case. The defendant paid the costs in both cases. Willard was arrested yesterday afternoon about 5:30 o'clock on South Main street, near the Peerless ice cream plant, after he had been chased in a Cadillac car by Officers A. A. Flippin and S. L. Swain. Mr. Flippin stated that Willard was driving in the neighborhood of forty miles an hour. The chase covered several blocks. The officer also said Willard told him his "Lizzie" was making full speed. Judge Hartman lectured Willard on the dangerous practice of reckless driving, calling attention to the seriousness of the crime in case a person is killed by a car driven in this manner. The defendant was informed that in such a case the driver of the car would be held for murder if a person is killed.

### Municipal Court

operating his car without rear lights. Wilson Mitchell, colored, was fined \$200 and the costs yesterday morning, for having whiskey in his possession for sale, was sent to the county roads for six months because of his failure to raise the fine.

Archie Adams, colored, charged with non support of his wife and six weeks' old child, was tried in the municipal court this morning and the order of the judge was that he is to turn over \$12 weekly for their benefit in the future. Failure to comply with this order will bring forth a 12 months' road sentence for the defendant. About all Archie could say was that he had bought three heads of cabbage and carried them to his mother-in-law's house, where his sick wife was staying, and that he ate two of them. The solicitor inquired of Archie if he wasn't afraid he would injure the baby's health by eating so much cabbage. Archie claimed that he carried some ham and a few dozen chickens to his mother-in-law's home recently and they ate them up. He said his wife's people were mad because he wouldn't support the entire family. The mother-in-law testified that the ham Archie claimed he left there was full of worms and unfit to eat. She also said that he only contributed about ten dollars, including provisions and some money, in a period of six weeks, during which time the baby was born. She said that five dollars of this money went for a nurse. Cornelius Moore, colored, was fined \$15 and the costs for speeding, and in the case charging him with operating his car with the cut-out open, prayer for judgment was suspended on payment of the costs. Marion Probst paid the costs for

### GOOD SCALE OF PRICES ON KINGSTREE MARKET

Lake City, July 23.—The tobacco market in Lake City opened very well on Tuesday, the average sales price being considerably over that of last year's opening. The average was \$20 a hundred. Not so much has come in yet, but 175,000 pounds were sold Tuesday. Today has been equally as good from every standpoint. The farmers are optimistic in spite of the continued rains. And if the rain does not ruin the crops, Lake City will experience a wonderful sale of the weed on this large and well equipped market. Everyone is hustling now and the future looks bright. Attorney E. L. Gaither, of Mocksville, spent the night in the city, returning home today.
