### LABOR BOARD HAS BEEN NOTIFIED TO EXPECT WALKOUT

#### CLAIM 1,000,000 RAIL MEN TO QUIT WORK ON JULY 1ST

Presidents of Ten R. R. Unions Have Served Ultimatum On The Board

LEWIS GIVES INTERVIEW

Three Factors Will Win Victory For Miners And Rail Men, He Says. Those Being Influence of Joint Strike, Tie-Up of Roads And Effect On Industrial Life

Cincinnati, June 18—Three factors will win victory for the miners and railway men in a common strike it was predicted today by John L. Lewis, president of the United Mine Workers, who will meet tomorrow night with rail union chiefs to consider joint strike action in the threatened rail walkout of approximately 1,000,000 men.

Joining forces of these organizations, Mr. Lewis said, would first have a moral influence on labor generally; second, would dislocate the transportation system of the nation, and third, would affect the industrial fabric.

Coincidentally with the statement, Mr. Lewis' public last night a letter to the labor board announcing their intention of going through with the strike in event one is authorized by the vote of the union members.

W. S. Carter, head of the railway employees department, stated that the vote being cast so far has been overwhelmingly for a walkout.

Mr. Lewis said that all industry is largely a matter of transportation and approximately one-third of the business of the railroads is hauling coal. "A strike of one million or more railroads," he continued, "would thus cause such a country-wide stoppage of the business of the railroads and mine corporations would come to terms with their workers."

Because of their long hauls, he added, "the character of the highways, and their number and the nature of the tonnage to be carried, auxiliary transport facilities, such as motor trucks, cannot be used effectively as strike breaking agencies."

The all-union strike in Great Britain and other countries, France for instance.

The railroad union heads, in their letter, declared they had done everything to avert a strike. They had approached the industry from the railroad board's decisions cutting wages, and altering working conditions and reiterated their statement that railroad employees under the transportation act "are entitled to a living wage."

Cleveland, June 18—Railroad executives today received telegrams from E. J. Mannion, president of the Order of Railroad Telegraphers and executive secretary of the railway miners alliance, asking them to attend the conference in Cincinnati tomorrow between the rail men and coal miners.

Brotherhood of Firemen and Engineermen, replied that because of pressing business he could not attend tomorrow's conference.

SEEK CARNEGIE MEDAL FOR GEORGIA GIRL

St. Petersburg, Fla., June 18—Application will be made to the Carnegie fund commission for a gold medal for Miss Mary Dunbar, who made a vain but desperate effort to save her chum, Miss Dorothy McClatchie, after the latter had been mangled by some sea monster while swimming far from shore in the bay here last Saturday.

The Presbyterian Sunday school yesterday appointed a committee to write to the committee and present the facts.

For half an hour after the fish struck and mangled Miss McClatchie, Miss Dunbar held her up in deep water with a high sea running, momentarily expecting to be attacked by the fish or shark. Miss McClatchie died while being held up in the water by her chum.

### REPUBLICANS TO KEEP TARIFF BILL BEFORE SENATE

#### By Vote of 30 to 9 Decide Not To Consider Bonus Bill At This Time

FIGHT GOES TO FLOOR

Number Of Republicans Are In Favor Of Taking Up Bonus Bill At Once And With Aid Of Democrats May Be Able To Override Republican Majority

Washington, June 18—Senate Republicans in conference today voted 30 to 9 against laying aside the tariff bill to consider the soldiers' bonus.

A resolution favoring final disposition of both the tariff and the bonus measures at this session and before any recess then was adopted, 27 to 11. The bonus measure would be made the unfinished business after a final vote on the tariff.

Chairman McCumber, of the finance committee, who has charge of both pieces of legislation, made a final effort to put the bonus ahead, but his motion mustered only nine votes. He said the author of the resolution proposing final disposition of tariff with the bonus then to be made the unfinished business of the Senate. This resolution was opposed by seven Republicans, counted as opponents of the adjusted compensation measure.

A number of Republican senators, including Johnson, of California, and La Follette, of Wisconsin, who have been called into special session, absented themselves from the conference. A number of Democratic senators also desire early disposition of the bonus and it may be that a motion to bring up the bill was expected, however, to lead to another and perhaps prolonged discussion of the bonus on the Senate floor.

Republican leaders thought the motion proposed by Senator Walsh would fail. They counted upon Democratic opponents of the bonus to join with most of the Republicans in voting against immediate consideration of that measure. A motion to bring up the bill was expected, however, to lead to another and perhaps prolonged discussion of the bonus on the Senate floor.

### FRANCE AGREES TO MEET SOVIETS AT THE HAGUE

#### But If Political Questions Are Brought Up Her Delegates Will Promptly Withdraw

STAND BY GENOA TERMS

Will Stick Closely To French Conception That Soviet Government Must Recognize Principle Respecting Foreign-Owned Property and Payments of Debts

Paris, June 18—(By The Associated Press)—France will take part in the conference at The Hague with the Russian delegates beginning June 26, it was officially announced at the foreign office this morning. If political questions are introduced, however, the French delegates will promptly withdraw.

The French delegates have received instructions to adhere to the French policy as outlined at Genoa, and to leave the conference at once upon the entrance of political questions.

They will stick closely, it is stated, to the French contention that the soviet authorities must recognize the principle of respecting foreign owned private property and the payment of foreign debts.

Russians Arrive Next Week.

The Hague, June 18—(By The Associated Press)—Official notice from France that she would take part in the conference at The Hague with the Russian delegates beginning June 26, it was officially announced at the foreign office this morning. If political questions are introduced, however, the French delegates will promptly withdraw.

The Russian delegation is expected to arrive a week from today to begin joint sessions with the mixed sub-commissions, representing the other European powers. The popular aversion to the number of soviet delegates will contain many members who were not present at the Genoa conference and an altered policy is expected together with the new personnel.

GEN. CARR IS ON HAND

Note of Sadness Fervent This, Perhaps Last Gathering of Wearers of The Grey In Their Old Capital; Hundreds Visit Graves of Comrades In Hollywood

Richmond, Va., June 18—(By The Associated Press)—Living in memories of '61, Richmond today opened wider her gates and with love and admiration welcomed the surviving members of the army of the north, who by their valor, made immortal the names of Lee and Jackson.

Hundreds who rallied about the brilliant Stuart, many who charged with the gallant Forrest, some who traded with the dashing Mosby, others who wore the grey navy's seamen, men who drew sabers, shouldered muskets and cannonaded the leadership of famous Southern chieftains, are assembled here for the 32nd annual reunion of Confederate veterans.

From the green hills of Maryland, the purple valleys of Virginia, from the yellow sands of the Texas plains, from the Gulf waters and even from the shores of the far Pacific, they have come together again to live together the scenes of never-to-be-forgotten memories.

Slowly treading, bent with age and touched to gray by the hand of time, some were so feeble that they are unable to walk; others with eyes so dim that they can scarcely see the diminishing ranks, now numbering not more than a few thousand, are living again in comradeship and ties hallowed by sacred recollections that followed the Stars and Bars 59 years ago has lessened and lessened in numbers with the passing years until their ranks have become as elusive as a far sea lane dimly pencilled on the sky of the present.

With the old soldiers their families and friends, it is estimated that Richmond today is host to approximately 60,000 visitors. The reunion will not officially open until tomorrow. In the meantime the grizzled veterans are being quartered in Richmond homes, where every attention and loving care is being extended. Younger visitors are being
