Munsion House, St. Augustine.

LORING respectfully informs his friends and the public generally, that he has recently completed a large and commodious building, for the accommodation of those who may favor | pleasure, ma'am him with their patronage. The situation is in George Street, a few doors from the Public Square, and is believed to be, in all respects, the most desirable in the city; particular care having my stand behind the door, so as to peep needful, as by him desired, chapped their been taken by the proprietor, previous to the erect at the gals as they went out of one room hats upon their heads and got themselves tion of the building, to select the most eligible site. Besides the superior accommodations which it affords, both to the invalid and the man of leisure, it is entirely free from the annoying inconveniences to which other establishments of this thing or two." kind are exposed, which are situated more immediate N. upon the Water's Edge.

THE SPECTACLED GENTLEMAN.

" A story loses nothing by gaining Currency," -Old Saying.

and was slightly injured. This is ano- door. Boo! says I, as every body criover the ice on their pavements.

Morning Rapress. It is with regret that we have learnt that a highly respectable gentleman with gold spectacles had a severe fall yester- and Jane Germond, with a piece of punday and dislocated his shoulder. We aashes over their pavements.

before yesterday a highly respectable and it set me a laughin so, right afore Jane worthy gentleman, upwards of eighty Germond too, that I dropt a great gob of years of age, wearing double-lensed gold punkin right smack into Jane's new spectacles, met with a severe fall in - gown. And then sich a time! Jane jumpstreet, by which his shoulder blade was ed up. Deacon looked blue, Phebe blushdislocated, and both legs broken! The ed, and I sneaked out. I swow! if I aint city authorities, we further understand, the unluckiest chap that ever breathed; contemplate enforcing the law for the for I run iato Uncle Sam's cuphoard, so's cleaning of pavements. A handful of salt to get out of the way, and got right into might save many valuable lives.

tleman, a hero of the Revolution, wearing warnt enough, just as I was thinkin about gold double-lensed spectacles, which are bein off, all the gals came pourin out of said to have belonged to Dr. Franklin, that room, so that I had to stick to the fell down the other day, and so fractured puddin, and hold on to the door pretty all of his limbs that he is not expected to darn'd tight. But, thinks I, sposin they survive. Twenty-seven bones were set come and find me here in the cupboard, by Doctor -, an experienced sur- what'il Phebe say? So I mustered around, geon. The relations of the gentleman and all at once down come a bottle of pephave commenced suit against the Corpo- persarce, smash, into nine hundred thourate authorities, damages laid at \$ 1,000. Political Trumpet.

AWFUL !- It is with extreme anguish our cupboard?" stantly expired; his brains having been he'll cath a white squirrel, I guess, dashed out by the severity of the fall -He has left numerous relatives to mourn them with \$ 10,000.

Merchant's Rec. ing -and doing well.

Baltimore Visitor

Clapping,-At a late publick meeting guess it was confounded warm, for I kind at Nashville, one of the orators wound up cat was soon let out o' the bag: for soon it has been the usual fashion for an audi in come Phebe, lookin right at me as ence to testily their approbation of that which has been said by the clapping of hands, but I beg to recommend for your adoption a new method of clapping, less temultous and much more pleasing: When you leave this building, clan your hands into your breeches porkets, and drawing them out again, clap your money into the box which is at the coor to receive it; and may the lord give it his After chattin a little while in tother blessing!" The address had the desired effect; and the audience having done the

away home much edified.

FRENCH OFFICERS. - The sons of the greatest and richest families of I rance, of Dukes and Peers, have not disdrined to arrive at the rank of an officer, by passing the duties of a common soldier; and this, not in opinion merely, but in reality, Many are the instances that could be cited of these young gentlemen doing their dus ty in every respect as a private of the ranks supporting the severest fatigues and privations, currying their horses, cleaning their stables, and carrying their forage on their shoulders: nor is it extraordinary to meet in a soldier's room, the descendants of a noble family, and the beater of a good name, sharing his bed with the son of one of his domestics. These examples were frequently under the restoration, more so immediately after its overthrow, not so frequently at the present time. H L. Bulwer's Monarchy of the middle A.

GOING BACK TO FIRST PRINCIPLES -An incl. ridual who was called upon to give in his testimony before the Legislature, in regard to the late popular tuniults in our city, being asked to state what he knew upon the subject, replied, "Why, seeing that we couldn't keep of the meb with our maces of peace, we, as a matter of course, went back to first principles "

"First principles?—and pray how was that?" "How?—why we threw away our rolling pins, Brickbats, however, are not first priniples. Neither are doubled fists. Edu cation is required to teach the use of them. Women and children, being so far as re gards fighting, unsophisticated naturals, ioin battle with nails and teeth, which are distinctly first principles in offence and defence, and after principles of foreible application, though requiring but little strength to use them. Broomsticks and

crockery come next in progression, and

then the tertiary formation, brickbate,

which our contemporary erroneously pla-

ces first in thumpatory science. Vade Mecum, A HANDSOME FEE. -It is said that the sum of twenty-five thousand dollars bas been charged by Mr. Edward Livingston, for the management of the great case between the U. S. and the city of New-Or.

lion of dollars. Mehemet Ali, the civilizer of Egypt and conqueror of the Arabs, is evidently backed by Russia. He derives 35 mil-A RACER DROWNED .- On Saturday lions of france tribute annually from the Ibrahim holds a rod of iron.

A writer of love tales, in describing one The old gentleman who was slight boats, on its way to Philadelphia, became of his heroines, says, 'innocence dwells affrighted, and jumped into the river; and in the rich curls of her dark hair.' The ing!—and doing well.
