

GLAD TIDINGS.
Dr. PETER'S
VEGETABLE PILLS

HAVING stood the test of experience, are recommended to the public as decidedly superior to any combination of medicine ever offered to the American people. The proprietor of these pills, being a regular bred Physician, and having practised his profession extensively for many years in different climates, is enabled to offer to the afflicted invalid a medicine, on the effects of which he is willing to risk his reputation.

He does not pretend that they are a positive cure or even beneficial in every complaint, but he most firmly believes that in all diseases where a cathartic or an aperient medicine is needed, they will be found far superior to any of those drastic purgative medicines which are so much puffed in the public prints as panacea for the blood. When taken according to the directions accompanying them, they are highly beneficial in the prevention and cure of Bilious Fevers, Fever and Ague, Dyspepsia, Liver Complaints, Sick Headache, Jaundice, Asthma, Dropsy, Rheumatism, Enlargement of the Spleen, Piles, Cholera, Hemorrhoids, Constipation, Heart Burn, Nausea, Furred Tongue, Distention of the Stomach and Bowels, Insipient Dropsy, Menstrual Obstructions, Constipation, Loss of Appetite, Bloated or Sallow Complexion, and in all cases of Torpor of the Bowels, where a cathartic or an aperient is needed. They are exceedingly mild in their operation, producing neither nausea, griping nor debility. Where the disease is Piles, they are once introduced into a family, they become a standing remedy, and are called for again and again, which is a sufficient proof of their good qualities.

Perhaps no article of the kind has ever been offered to the public, supported by testimonials of a character so respectable, and that has given more universal satisfaction.

They have the testimony of the whole medical profession in their favor, while not a single case of ill consequences or inefficiency can be alleged against them.

And it is not until the day that they became acquainted with Peter's Vegetable Pills, which, in consequence of their extraordinary goodness, have attained a popularity unprecedented in the history of Medicine.

The very circumstances alone, that Physicians in every part of the Union, (but more especially in the Southern States, where they have long been in use,) are making free use of, and their *speaks volumes* in their praise. Add to this the fact, that all who use invariably recommend them to their friends, and the testimony in their favor is almost irresistible. As an Anti-Bilious remedy and to prevent costiveness, they have no rival. One 25 cent box will establish their character and prove that there is truth even in an advertisement.

Prepared by Dr. PETER'S, M. D. at his Institution for the cure of chronic diseases by means of vegetable remedies, No. 129, Liberty Street, New York. Each box contains 40 Pills. Price 50 cents.

That the public may rest assured of the salutary effects of these Pills, and the truth of the above statements, the following letters from Medical Gentlemen of the first respectability, are most respectfully submitted.

Clarksville, Mecklenburg Co. Va. Feb. 7, 1837.
I embrace the opportunity of expressing to you my gratification at the success which has attended the administration of your valuable Pills in this section of country. It is a common fault of those who compound and vend their medicines to say too much in their favor; but from what I have seen of the effects of your Pills, I do not think they have as yet received unmerited praise. Six months ago they were almost entirely unknown in this part of Virginia; they are now the most popular Pills we have. In dyspepsia and sick headache, derangement of the biliary organs, and obstinate constipation of the bowels, I know of no aperient more prompt and efficacious.

Their mildness and certainty of action render them a safe and efficient purgative for weakly individuals, and may be given at all times without any of those injurious consequences that frequently result from the long continued use of cathartic or blue pill.

On the whole, I think them a valuable discovery. Very respectfully,
S. H. HARRIS, M. D.

Charlotte, N. C. Jan. 1st, 1837.
Dear Sir—I have made frequent use of your Pills in the incipient stage of Bilious Fever, and obstinate constipation of the bowels; also in the enlargement of the Spleen, Chronic diseases of the Liver, Sick Headache, Biliary Fevers, and in all cases found them to give relief.
J. D. BOYD, M. D.

Mecklenburg Co. Va. Feb. 7th, 1837.
Having used Dr. Peter's Pills in my practice for the last twelve months, I take pleasure in giving my testimony of their good effects in cases of Dyspepsia, Sick Headache, Biliary Fevers, and other diseases, produced by inactivity of the liver.

They are a safe and mild aperient, being the best article of the kind I ever used.
GEO. C. SCOTT, M. D.
Pasquotank Co. N. C. Nov. 8th, 1836.
Sir—Be not surprised at receiving this letter from an entire stranger. Your medicine is the cause and the recovery I offer in introducing myself on your patience. Having had a most violent attack of Bilious Fever this fall, I was induced at the recommendation of a friend, to try your Pills; and such was their effect in relieving me, that I am desirous of procuring a large quantity of them to use in my practice. What is your lowest price for two hundred boxes?
Since my recovery, I have recommended them to several of my friends. Please answer this as soon as possible, and oblige
Yours respectfully,
R. H. RAMSEY, M. D.

TO THE AFFLICTED.
HADLOCK'S
Vegetable Powder and Syrup.

For Diseases of the Lungs, Liver Complaints, Dyspepsia, Coughs, Colds, &c.

THE operation of this medicine is particularly mild and safe. It promotes a gentle and healthful perspiration, and checks morbid and pernicious secretions; relieves catarrhs and congestions of the lungs; assuages cough; promotes a free and mild expectoration; removes pains from the chest; relieves asthmatic or difficult respiration; corrects obstinate costiveness, and leaves the bowels in a regular and healthy state. Those painful symptoms which indicate diseased lungs readily yield to this certain remedy, when seasonably resorted to; and restores the patient to the bodily vigor which that wasting disorder, the consumption, if left to its natural operation, so surely destroys.

WE have had frequent opportunities of conversing with our acquaintances at the south, who have used Hadlock's VEGETABLE MEDICINE, many of whose names are attached to this certificate, and from our knowledge of their respectability, and the benefits which they appeared to have derived from its use, we have no hesitation in expressing our belief that it is a valuable medicine for the purpose for which it is offered to the public, and as such we cheerfully recommend it.

THOMAS P. HUNT,
Late Pastor of the Presbyterian Church, Wilmington, N. C.
H. A. ROWLAND,
Pastor of the Pearl Street Church, N. Y.

The efficacy of this medicine has been so fully tested, that a list of certificates (which might be published) is deemed unnecessary. It may be obtained of the subscriber.

Montague's Balm,
An Indian Remedy for the Tooth-Ache

THE established reputation and constantly increasing demand for this effectual remedy of pain, and preservative of the teeth, has induced the subscriber to offer it to the American public. Arrangements have been made to supply Agents in all the principal cities and towns of the United States, so as to place it within the reach of those suffering and likely to suffer, with the most harassing of all aches, (tooth-ache.) When applied according to directions given on the bottle, it has never failed to afford immediate and permanent relief. It also arrests the decay in defective teeth, and relieves that soreness which so frequently renders a strong tooth useless.

The application and remedy are simple, innocent, and not unpleasant; and the large number of persons in various sections of the country, who have already experienced such delightful and salutary benefits from the use of the balm, are ready to bear (for the public good) their testimony to its unrivalled qualities. It is an Indian remedy, obtained singularly and unexpectedly, and may be regarded by the civilized world as the most remarkable discovery of the Red Man of the woods.

Runaways.

\$180 Reward.

THE subscribers will give a REWARD of 180 DOLLARS to any person who will apprehend, and deliver to them in the town of Wilmington, or lodge in any jail of the State, the following NEGROES, viz Nancy and her children, named Roger, William, James, Kitty Ann, Hannah, Julius, Philip, Morris, Job, and Nancy's youngest child, name not known. Twenty five dollars for each of the heirs of Elknapk Allen, sen. deceased, and are supposed to be going at large in the counties of New Hanover, Brunswick, Bladen, and Cumberland, and in the town of Newbern, as free negroes. There are many others that belong to the same heirs, whose names are not known. Any person who will apprehend any of said negroes, and deliver them to the subscribers, will be amply rewarded. All persons are forewarned from buying, or carrying, any of said negroes out of the State, as the law will be enforced to its utmost extent against any person or persons who may attempt to do so.

Wilmington, N. C. Oct. 9th, 1837. 39 c.

\$500 Reward.

FOR the apprehension and delivery to me, of a RUNAWAY SLAVE of mine, who has recently reached Boston, I will give the reward of FIVE HUNDRED DOLLARS. To any person disposed to undertake his recovery, the necessary information and documents will be furnished. As very little doubt can be entertained of his conveyance away on board of some vessel, I will give the further reward of FIVE HUNDRED DOLLARS for the conviction and punishment agreeably to law, of the master or captain, and half that sum for any of the crew, or other person, engaged in the same.

A YOUNG black, stout, coarse looking fellow of mine, named DICK, is also run away, and is probably lurking about Mont's Sound, where he has a wife. For his apprehension and delivery to me, or my agent in this place, a reward of FIFTY DOLLARS will be paid.

E. B. DUDLEY,
January 24th, 1838. 106 c.

\$50 Reward.

RAN away from the plantation of the subscriber, in Onslow county, on Saturday night, the 27th of January last, a NEGRO MAN, named Adam, aged about twenty five years, of very black complexion, about five feet nine or ten inches high. He has a variety in his front teeth, both above and below, as if a tooth had been extracted. But he says he never had a tooth where there seems to be the two missing. Said negro was raised in Sampson or Duplin county, perhaps partly in each. He says he has acquaintances in Cumberland county, and that he has at some previous time been run away, and was fed in Fayetteville, by a negro by the name of Williams, who at that time belonged to a lot of do not do by looking out in Cumberland, Sampson, and Duplin counties. I will give the above reward for his apprehension and confinement in jail, so that I get him. I purchased Adam of Mrs Julia A. Bunting, now of Wayne county, and formerly of Duplin.

Any person apprehending said negro will please to address me at French Mills, Onslow county, N. C.

DANDY MILLS
FOR SALE.

IN consequence of the intended removal to the west of one of the joint owners, the subscribers propose to sell their valuable SAW AND GRIST MILLS, situated on Lower Little River, fourteen miles from Fayetteville, to which is attached upwards of 7000 acres of TIMBERED LAND lying on each side of the river, and convenient thereto.

The Mills are now in good repair, carrying three single saws, which saw on an average thirty thousand feet of lumber in a week, though the quantity has been increased greatly above this. The lumber is readily conveyed by water to the Wilmington market, and is of a superior quality. The stream is sufficient to carry a gang of saws, affording at all seasons abundant water, on which may be erected a factory, there being an excellent site for that purpose. To a person wishing to invest capital in property of this kind, this place holds out inducements inferior to none in this country. There is a good dwelling house on the premises, together with other necessary outbuildings. The situation is healthy and water pure. A person from the low country, wishing a healthy retreat, would do well to call and examine.

We will sell on accommodating terms, giving a liberal credit, the purchase securing the payment with approved notes.

For further information, refer to David Reid, Esq. Fayetteville, or to the subscribers.
