

**Wilmington Planing Mill.**  
THE subscriber offers for sale his interest in the Planing Mill, say two thirds. It is a complete and extensive Establishment, worked by a superior steam engine capable of dressing 15 to 20,000 feet of flooring per day, with circular saws and all the necessary gear, also a large pair of Mill Stones, which can grind 60 bushels of Corn per day; an excellent sliding lathe, and a foot lathe; besides the main building, there are sheds covering a surface of about 13,000 feet for storing lumber under; and a blacksmith shop with tools. The premises which embrace 400 feet front on the water, improved with wharves and ample room back, may be had on lease or purchase. Now that rough lumber may be had at a reasonable price, and the spirit of improvement reviving, an excellent opportunity is presented for making money. For further particulars enquire of  
A. LAZARUS.  
Wilmington, Nov. 30, 1838. 150-1f.

**NOTICE** is hereby given that the co-partnership of JONES & MATHERS has this day been dissolved. All persons having claims against the firm are requested to present them for settlement on or before the 1st day of January next. One of the members of the firm or their authorized agent will be generally found in the Town of Wilmington until the first of January next, by which time they hope to claim against the firm will have been presented.

Wm. C. JACKSON.  
Wilmington, May 4th, 1838. 120-1f

**IMPORTANT FACTS.**  
Upwards of 150,000 of  
DR. LEIDY'S BLOOD PILLS  
Have been sold in Pennsylvania alone the past six months.  
THESE PILLS are recommended to all persons who are affected, as a safe, gentle or active purgative, regulating and cleansing the stomach, purifying the blood, and renovating the whole system, requiring no restraint from occupation, or temperate living.

**The Victory Won!**  
After long, tedious, and expensive experiment, Dr. Leidy has discovered a method whereby the virtue of Sarsaparilla is extracted, so as to be formed into pills, without destroying its efficacy.  
Innumerable attempts have been made to accomplish this important object, but all failed. It is important, because the Sarsaparilla, as a medicine, in all diseases to which mankind is subject, is productive of more real good, than the whole catalogue of medicines in use.  
Ask all respectable physicians the question, "What is the most effectual purifier of the blood, and the most popular medicine used?" They will answer unanimously, Sarsaparilla. What better recommendation can be asked?

**DR. LEIDY'S Sarsaparilla or Blood Pills,**  
Price twenty five Cents a Box.  
One box of these Pills contains as much virtue of the Sarsaparilla as one bottle of the various preparations of Sarsaparilla, which cost one dollar a bottle.  
They must surely command preference, for they are not composed of Sarsaparilla alone, but contain in a concentrated state, in the form of a pill, the virtues of the principal ingredients contained in the Compound Fluid, Extracts, Syrup, and other preparations of Sarsaparilla.  
They are highly recommended by numerous physicians and others, (see directions around each bottle, in

Rheumatic Affections, Scrofula, Erysipelas, Jaundice, Heartburn, Diseases of the Liver, Skin, Bones and Glands, Swelling of the Face and Body, Water and Ring-worms, Swelling and hardness of the Glands of the Neck, in the groin, breast, &c. Stomach Ulcer, Liver Complaints, Waterbrash, Sour Stomach, Watery Appetite, Acidities of the Stomach, &c.  
And all the whole train of diseases resulting from Impurity of the blood, Constitutional Disorders, produced by Mercury, or other minerals, or the consequence of Syphilis, Lues Venerea, &c.  
For convenience of taking, as well as making but a small bulk, being in flat square boxes, convenient for carrying in the pocket or for travelling purposes, they must be preferable to all other preparations of Sarsaparilla.  
Also within the past six months, were sold upwards of 4000 bottles of

**DR. LEIDY'S MEDICATED FLUID EXTRACT OF SARSAPARILLA.**  
Recommended in all the above affections, wherein the Sarsaparilla Blood Pills are recommended, and forming an excellent auxiliary to their employment; for as the morbid, diseased humors, and other impurities of the blood, are corrected by the Medicated Extract of Sarsaparilla, they are gradually and most effectually removed from the system by the purgative properties of the pills, which contain also a portion of Sarsaparilla in them.  
So superior to all other preparations of Sarsaparilla is the above, that Druggists and others are in the habit of procuring from the proprietor's Store, one bottle, which costs but one dollar, and making therefrom one gallon of the medicinal compound Syrup, which they sell from fifty cents to one dollar a half pint bottle, costing them but TWO DOLLARS PER GALLON. The following is the way it is prepared.  
Take Six white Sugar, cost about 12 cents per lb. six pints of water, boil to consistence of syrup, then add one bottle of Dr. Leidy's Extract of Sarsaparilla, the whole making one gallon of Syrup, and costing but TWO DOLLARS.

Numerous recommendations from physicians and others, accompany the directions around each bottle. Besides, ask all respectable physicians the question, "What is the most effectual purifier of the blood, and the most popular medicine used?" They will tell you unanimously, SARSAPARILLA, the component parts of the foregoing preparations.  
To travellers, and all persons, in the summer season, they are particularly recommended: Individuals on summer excursions will find them very useful.  
PRICE ONE DOLLAR A BOTTLE.  
Prepared and sold wholesale and retail, at Dr. Leidy's Health Emporium, 2d Street below Vine, No. 121, Philadelphia.  
Sold at the office of  
W. WARE, Agent.  
Wilmington, N. C. July 30th, 1838. 131-1Y

**TO THE AFFLICTED.**  
**HADLOCK'S Vegetable Powder and Syrup,**  
For Diseases of the Lungs, Liver Complaints, Dyspepsia, Coughs, Colds, &c.  
THE operation of this Medicine is particularly mild and safe. It promotes a gentle and healthful perspiration, and checks morbid and pernicious sweatings; relieves chronic affections and congestions of the lungs; assuages cough; promotes a free and mild expectoration; removes pains from the chest; relieves asthmatic or difficult respiration; corrects obstinate costiveness, and leaves the bowels in a regular and healthy state. Those painful symptoms which indicate diseased lungs readily yield to this certain remedy, when seasonably resorted to; and restores the patient to the healthy vigor which that disease destroys. The operation, if left to its natural operation, so surely destroys.

**TO THE PUBLIC.**  
We have had frequent opportunities of conversing with our acquaintances at the south, who have used Hadlock's VEGETABLE MEDICINE, many of whose names are attached to this certificate, and from our knowledge of their respectability, and the benefits which they appeared to have derived from its use, we have no hesitation in expressing our belief that it is a valuable Medicine for the purpose for which it is offered to the public, and as such we cheerfully recommend it.  
THOMAS P. HUNT, Late Pastor of the Presbyterian Church, W. C. H. ROWLAND, Pastor of the Pearl-street Church, N. Y.  
The efficacy of this Medicine has been so fully tested, that a list of certificates (which might be published), is deemed unnecessary. It may be obtained of the subscriber,  
Wm. O. JEFFREYS.  
Wilmington, December 1st, 1837. 46-1f

HALL, McRAE, & Co.  
Nov. 22d, 1838. 149-1f

**MOFFAT'S VEGETABLE LIFE PILLS**  
AND  
**PHENIX BITTERS.**  
THESE medicines have long been known and appreciated, for their extraordinary and immediate powers of restoring perfect health, to persons suffering under nearly every kind of disease to which the human frame is liable.  
In many hundreds of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed, and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were unacquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and ending them with renewed tone and vigor, that they were indebted for their name, which was bestowed upon them at the spontaneous request of several individuals whose lives they had obviously saved.

The proprietor rejoices in the opportunity afforded by the universal diffusion of the daily press, for placing his VEGETABLE PILLS within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, which boast of vegetable ingredients, the Life Pills are purely and solely vegetable, and contain neither Mercury, Arsenic, nor any other mineral in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science, and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels, the various impurities and crudities constantly settling around them; and to remove the hardened feces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind, as to produce costiveness, with all its train of evils, or sudden diarrhoea, with its imminent dangers. This fact is well known to all regular anatomists, who examine the human bowels after death; and hence the prejudice of these well informed men against the quack medicines of the age. The second effect of the VEGETABLE PILLS is to cleanse the kidneys and the bladder, and by this means, the liver and the lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and the lungs before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, circulates freely through the veins every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases, to which the Vegetable Life Pills are well known to be infallible: DYSPEPSIA, by thoroughly cleansing the first and second stomach, and creating a flow of pure healthy bile, instead of the stercoraceous and acid; Flatulency, Palpitation of the heart, Loss of Appetite, Heartburn and Headache, Restlessness, Ill-temper, Anxiety, Langour, and Melancholy, will vanish as a natural consequence of its cure. Costiveness, by cleansing the whole of the intestinal canal, with a solvent process, and without violence; all violent purges leave the bowels costive within two days. Diarrhoea and Cholera, by removing the sharp acid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucous membrane, Fevers of all kinds, by restoring the blood to regular circulation, through the process of perspiration in the pores of the skin, and by dissolving the morbid matter which has accumulated in the blood vessels, and by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere, Asthma and Consumption, by relieving the air vessels of the lungs from the morbid matter which occasions, which if not removed becomes a permanent and incurable disease. Scars, Ulcers and inveterate Sores, by the perfect purity which these Life Pills give to the blood, and all the humors. Scrofulic Eruptions and bad Complexions, by their alternative effects upon the fluids that feed the skin, the morbid state of which occasions all Eruptions, complexion, Clouds, and other disagreeable Complexions. The use of these Pills for a short time will effect an entire cure of Salt Rheum, Erysipelas, and a striking improvement in the Clearness of the skin. Common Colds and Influenza will always be cured by one dose, or by two, even in the worst cases. Piles, and other anal affections, are cured delightfully on these important organs, which have ever been found a certain remedy for the worst cases of Gravel. Also, Worms, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere, Asthma and Consumption, by relieving the air vessels of the lungs from the morbid matter which occasions, which if not removed becomes a permanent and incurable disease. Scars, Ulcers and inveterate Sores, by the perfect purity which these Life Pills give to the blood, and all the humors. Scrofulic Eruptions and bad Complexions, by their alternative effects upon the fluids that feed the skin, the morbid state of which occasions all Eruptions, complexion, Clouds, and other disagreeable Complexions. The use of these Pills for a short time will effect an entire cure of Salt Rheum, Erysipelas, and a striking improvement in the Clearness of the skin. Common Colds and Influenza will always be cured by one dose, or by two, even in the worst cases. Piles, and other anal affections, are cured delightfully on these important organs, which have ever been found a certain remedy for the worst cases of Gravel. Also, Worms, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere, Asthma and Consumption, by relieving the air vessels of the lungs from the morbid matter which occasions, which if not removed becomes a permanent and incurable disease. Scars, Ulcers and inveterate Sores, by the perfect purity which these Life Pills give to the blood, and all the humors.
