[Entered at the Post Office in Winston as second-class matter.]

Congress is now in session, and we may expect to hear of some lively times around the nation's Capitol. Mr. Carlisle will have a stormy body to contend with, and some very knotty questions await the deliberations of that body.

It is expected that little work will be done in Congress this week. The President's message was probably sent in today.

Experts of the Treasury have decided that Jew's-harps are not toys but musical instruments, and have put on them a 60 per cent. duty.

A few days ago a London clerk slipped on a piece of orange peel, broke his leg, was taken to the hospital, became delirious, and died within 24 hours, presumably from the shock to the system.

Miss Alice Freeman, President of Wellsley College, is slight and girlish in figure, with a youthful face. She is a Doctor of Philosophy, and at the head of a college 500 strong.

A friend reports to us of several mad dogs in the vicinity of Thomsville and Lexington. One horse was bitten and died from the effects of the bite. There are 19 Cherokee Indian pupils being educated by the State, at Trinity College.—High Point Farm and Fireside.

Postmaster-General Gresham in his annual report argues in favor of the constitutionality of a postal telegraph system.

O'Donnell will be hanged on the 17th.

Prince Victor Napoleon intimates that he is inspired with the ideas of Napoleon III.

Germany has 500 mills for the manufacture of wood pulp.

The new Spanish minister in Washington has been instructed to assist in improving the commercial relations between Cuba and the United States.

Cypress shingles have been cut in Sumpter county, Fla. From one 33,000 shingles were made, and from the other 37,000 shingles and 6,100 clapboards were made.

F. W. Dawson, editor of the Charleston, S. C., News and Courier, has been Knighted by the Pope, because of the stand he took against dueling.
