In addition to many matters of routine business receiving attention, the following business of general interest was transacted:

The directors endorsed the pro-posal to request the State highway department authorities to improve the Boylston road. Transylvania and Henderson counties are interested in having a binder placed on this road, on which stone has already been placed. Completion of the improvement of this road from Mills River to Pisgah Forest is desired.

FOLLOWERS WASHINGTON, Jan. 27 (UP) Senate Democrats today agreed to attempt a reduction of Federal expenditures totalling \$2,949,000,000 which is estimated to be the amount of the government's probable total revenues in the next fiscal year.

WASHINGTON, Jan. 27. (UP) -Senator Millard Tydings, Dem., Md., started a "taxpayers filibuster" in the senate yesterday to cut a billion dollars from government expenditures and his action gathered such momentum that his party may back him up in the sudden and dramatic move.

After the senate had debated his resolution for this purpose for five hours, Democratic Leader Robinson announced he would call a party conference today to decide whether Democrats as a whole will stand behind Tydings. Tydings' motive is to carry out
