#### ERROR ACKNOWLEDGED.

The vote given in the last "Times" was not the vote on the Missouri Compromise, as there stated. The Editor was misked by the similarity of subjects and names, and gave the vote on the passage of the Joint Resolution reported by Mr. Clay, on the 26th Feb. 1820, for the admission of Missouri into the Union as a State, upon a certain condition-which condition was that she should amend her Constitution so as to provide that no law shall be passed in conformity thereto, by which any citizen of either of the States in this Union shall be excluded from the enjoyment of any of the privileges and immunities to which such citi- G. The re-election of Bocock over Irving, and the defeat of Goggin, by Powell, are also reported.

H. A. Edmonson is the successor of W. B. Preston. The election of Bayly, Dem. is considered sure. Morton has beaten Pendleton in the Alexandria District, both Whigs. Gov. In the Wheeling District, Russell, Whig, has run very well, from the returns we have seen, though it is reported that Newman is elected by upwards of 200 reported. The election being held three days, the returns come in by piecemeals, so that it is difficul to accertain how the candidates have run. It is a fact, dony it who will, that the nominitation of Gen. Taylor by the Federal party was an act of superlative impudence and inconsistency. though the race was a close one.
