The Warrenton News commits a mistake or two, and will be grateful to us, no doubt, for correction. In one article last week, it uses this language: "Some Whig Editors have had the hardihood to say the mode adopted for changing this feature of the constitution is unconstitutional, antirepublican, and all that," &c.

mendments to the constitution is anti-re- it; but the people will vote for it by a publican. Produce the Whig Editor who large majority in this county. I will supsays it is unconstitutional; and we can port no man for Governor who either opconvince him of his mistake.

For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

To cure a cold, with headache and soreness of the body, take the Cherry Pectoral on going to bed and wrap up warm, to sweat during the night. so easily cured. Persons afflicted with a seated cough, which breaks them of their rest at night, to thousands who are thus afflicted, by this invaluable remedy.

From its agreeable effect in these cases, many find themselves unwilling to forego its use when the necessity for it has ceased. From two eminent Physicians in

Fayetteville, Tenn., April 16, 1851. Sir: We have given your Cherry Pectoral an extensive trial in our practice, and find it to surpass every other remedy we have for curing affections of the respiratory organs.

DRS. DIEMER & HAMPTON.

To singers and public speakers this remedy is invaluable, as by its action on the throat and lungs when taken in small quantities, it removes all boarseness in a few hours, and wonderfully increases the power and flexibility of the voice. Asthma is generally much relieved, and often wholly cured by Cherry Pectoral. But there are some cases so obstinate as to yield entirely to no medicine. Cherry Pectoral will cure them, if they can be cured.

Bronchitis, or irritation of the throat and upper portion of the lungs, may be cured by taking Cherry Pectoral in small, and frequent doses. The unfortable oppression is soon relieved.

Rev. Dr. Lansing, of Brooklyn New York says: I have seen the Cherry Pectoral cure such cases of Asthma and Bronchitis as leads me to believe it: can rarely fail to cure those diseases. FOR CROUP. Give an emetic of antimony, to e followed by large and frequent doses of the Pec-

son, it will not fail to cure.

Whooping Cough may be broken up and soon cured by the use of Cherry Pectoral.

The Influenza is speedily removed by this remedy. Numerous instances have been noticed where whole families were protected from uny serious sequences, while their neighbors, without the

Cherry Pectoral, were suffering from the disease. Salem, Ohio, 11th June, 1851. Dr. J. C. Ayer:
I write to inform you of the truly remarkable effects of your Cherry Pectoral in this place, and in my own family. One of my danghters was completely cured in three days of a dreadful Whooping Cough, by taking it. Dr. Means, one of our very best physicians freely states that he considers it the best remedy we have for pulmonary diseases and that he has cured more cases of Croup with it than any other medicine be ever administered.
Our clergyman of the Baptist Church says during the run of Influenza here this season, he has 50 seen cures from your medicine, he could scarcely:
2,00 have believed without seeing.
4,00 Yours respectfully, J. D. SINCLAIR,

I have found the Cherry Pectoral, as its ingr ents show, a powerful remedy for colds, and coughs, and pulmonary diseases.

PARKER CLEVELAND, M. D.

Brunswick, Me., Feb. 6, 1847.

DR. VALENTINE MOTT The widely celebrated Professor of Surgery interest the Medical College, New York City, says:
"It gives me pleasure to certify the value and efficacy of Ayer's Cherry Pectoral, which I consider

vail themselves of it.
