Mr. Willie R. Watson has bought a bicycle and is spinning through the air.
Read E. D. Fleming & Co's, advertisement of Bargains this week by all means.
Lots of our people spent last Saturday in Littleton. The annual working men's excursion is a favorite with our people.
We are sorry that Aunt Malindy's letter got left out this week, we have a letter from her, but did not get it in time.
A protracted meeting is in progress this week at Sulphur Springs, conducted by Revs. Geo. Duke, Geo. Coppedge and Geo. May.
Mr. Aleck Katzenstein informs us that the Warren County Alliance will establish a paper at Warren Plains, with Mr. T. R. Walker, a merchant of Warren Plains, as editor.
Remember that after this week the Constitution will be higher. If you wish to get the Constitution and True Freedom new for the small sum of \$1.50, you must do so right now.
There are 313 hogs in the corporate limits of Warrenton. These hogs may safely be counted upon weighing 200 pounds each, next fall. Look out farmers, don't we town folks will beat you raising meat.
This has been rather an unfavorable season for the Irish potato crop, but Judge White has the finest we have seen, we believe. Capt. Shell will say, it is because the Judge cultivated them with the Avery garden plow.
Dr. Francis A. Mason requests us to say that he will be in his Warrenton office a portion of the 1st. week in August, and those desiring his services are requested to notify him in Henderson before he leaves for Warrenton.
Mrs. Ella Finch of Littleton N. C., daughter of Capt. Ferguson has received a scholarship in the Cooper Art School of New York. This is very complimentary to Mrs. Finch. She will take the three years course.
Rev. C. N. Wharton will preach in the Baptist Church next Sunday morning at 11 o'clock. The Presbyterian church is very nearly completed and Mr. Wharton hopes that he can worship in the house by his next appointment.
Mr. C. H. Scott, the former principal of the Academy, requests us to say that he will be at the Academy next Monday afternoon and desires all students who have books left at the Academy to meet him there and take charge of same.
The weather bureau prophesied last Wednesday that yesterday we would have showers, and indeed we did. Several heavy rains fell during the day and the ground is wetter than it has been for some time. We have a splendid season but it did not come before we needed it.
*We call special attention to advertisement of Mr. H. J. Cordle of Littleton N. C. in this issue. Mr. Cordle is a thorough practical jeweler, a high-toned christian gentleman, and will do your work with dispatch and guarantee satisfaction. If you want first class work don't fail to send your first class work to Mr. Cordle.
Mr. Wm. Haywood Harris, a former citizen of Warrenton, in the Vance out-off, who resided near Brookston, died last Sunday, rather suddenly. Mr. Harris was well and favorably known to many of our older citizens. He was a good man and a member of the M. E. church. Mr. Harris was about 72 years old. He will be greatly missed in his community.

Our most excellent Post Mistress is making strenuous efforts to give us better mail facilities, and she is very apt to succeed for she is a success at anything she bends her energies to. It is very probable that we will, ere long, have the mails regularly on the Atlanta Special which passes here in the Atlanta hours of the night, in addition to the two midday mails we now receive.
Some weeks ago, "Jumbo," our Six-pound correspondent, said that he understood that an ice cream supper was given at Macon to secure funds to defray Mr. J. W. Harrison's expenses to Philadelphia. It was intended as a joke, and all who know Mr. Harrison took it as a joke, but some have been misled and are inclined to take the matter seriously. We wish to state most emphatically that Jno. W. Harrison of Macon is not in a condition to require charity of that kind, so don't become uneasy friends.
There are some days which the under-signed cannot devote to the examination of teachers for certificates to teach public schools. We have seen that necessarily we must have some system about this, therefore, hereafter those applying for teachers certificates must apply on Tuesdays. I will hold myself in readiness to examine any and all applicants every Tuesday. Remember this and when you come start early enough so as to commence the examination at 9 o'clock in the morning.
J. R. RODWELL,
County Examiner.

Prof. Thos. R. Foust, the gentleman who is to take our Academy arrived Wednesday. He was with the Board of Trustees in a meeting at night, and the Board unanimously decided to improve, repair, beautify, remodel and furnish the Academy building with modern furniture and apparatus. To this end Messrs. Shaw, King, Boyd and Rodwell were appointed a committee to see every citizen possible between now and next Tuesday night and solicit contributions from the citizens for aid in doing this work. Ladies and Gentlemen, help us right now. If we expect to do any thing along this line, now is the time. Show your interest in the rebuilding of Warrenton. This is a step in the right direction. Do something. Don't discourage the Trustees in this noble work, but push up the bill. We are going to do something. We must do something. Help us to do this and thereby do something that will be permanent and of benefit to the entire county and state as well as particularly beneficial to Warrenton.
Hunter's Headache cure, Ac-Ceterine.
This excellent headache remedy prepared entirely by our own Pharmacist, Mr. F. P. Hunter, has grown in favor so much and is being used to such an extent that it is evident that ere long Mr. Hunter will have him a separate and distinct laboratory to put up this medicine in. He is selling large quantities of this splendid remedy to the drug trade in all directions. The retail trade is exceedingly flattering and the wholesale trade is assuming such dimensions as to warrant the prediction that it is only a question of a very short time when it will be in use and in demand every where, and therefore we may expect a large laboratory to be built here for the exclusive use of manufacturing, for shipment, that remarkable, excellent and efficacious Headache remedy, Hunter's Ac-Ceterine.

And now we will down The Ranoke News.
The Statesville Landmark copies our piece on names and adds this:
"The papers of the State are reproducing this from the Sun as if it was something remarkable. The Landmark can beat it. A Statesville man, a white man and a good citizen, calls his boy Prince Lillington Van Leasingham Pesehal Porter Pearson."
We are not best yet. A highly respected lady in Durham bears the name of Tullia Horner Hesselstine Mary Jane Caroline Lewter.—Durham Sun.
And this do you say, Brother Robinson. We know an old colored man in Brunswick county Va., who named his son, John Henry Brown Stegalls Peter Piper Edmundson Tucker.
Ronoke News.
This beats you all. We knew a colored woman here in Warren county to name her son, Walter Jack Gray John Samuel Henry Hawkins Iredelell Martin.
Beware of Ointments for Catarrh that contain Mercury,
as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co., Testimonials free.
Sold by all Druggists, price 75c. per bottle.

C., the following described two tracts or parcels of land situated in said Warren county, to wit: One of 37 1/2 acres adjoining the lands of George Williams, James Harris, and others, and containing 100 acres, more or less, and is the same tract resided upon by said decedent at the time of his death. The other tract containing about 12 acres and is the same tract conveyed to said Lewis Baker, deceased, by Jno. M. Neal by deed dated April 3rd, 1888, and recorded in the registry office in said county in book 53 on page 201, and for a full description of both of said tracts reference is hereby made to the petition in this cause which is filed in the office of the clerk of the superior court of said Warren county. EARLY CLOSING OF STORES.

We wish to enter our protest against the custom of our merchants here, of keeping open their stores Saturday nights until midnight or very near to that hour. If the merchants of Warrenton would have some concert of action about their closing hours, there would not be a single copper lost by any merchant in Warrenton. In our opinion it is decidedly wrong to keep the stores open so late, and we will give some of the reasons we have for saying so—1st. The clerks and proprietors are injured physically by these late hours. These hot summer nights, a store thoroughly lighted by lamps is an exceedingly hot place and unhealthy. 2nd. The store people are rendered unfit to serve God the next day, the Lord's day, acceptably when required to stand in these hot store rooms till midnight on Saturdays, both because of loss of sleep and the breathing of the impure air in the stores at night.
3rd.—By keeping open the stores and places of business till Saturday at midnight, proprietors and clerks are induced to violate the Sabbath. Many are an hour or two after midnight closing up the days work or in getting home and preparing for the Sabbath and retiring for the night. The consequence is the next morning, the hallowed Sabbath, those who are thus kept up late neglect the service of God in his sanctuary and are at home asleep and recuperating from the Saturday night's excessive work and loss of sleep.
Gentlemen, let us put a stop to this. Make an agreement to close up promptly at 9 o'clock every Saturday night and not one of you will lose a cent, all of you will be better off and better prepared to pay the respect due by each one of you, to God's holy day and to his delightful services in the Sabbath Schools and church services.
If the merchants cannot agree to do this among themselves we really think that the citizens of the town ought to get up a petition to our town commissioners asking them to pass a town ordinance requiring all stores and business houses to be closed at 9 o'clock at night. We know several towns that have such an ordinance and they are prosperous towns.
It is a shame and an outrage, and we hope that our business men will see the propriety and reasonableness of the proposition to close at an early hour, and not force us to apply for relief through our city fathers.

Rev. J. B. Boone has been elected Supt. of the Thomasville Orphanage.
