See sale of land by S. B. Williams comes.

Mr. Frank P. Hunter has a new ad in this week's issue.

The populists are bound to have voted for Russell or else he could not have been elected.

The democrats have lost every thing this time. We are beaten in N. C. from constable up to Governor.

Mr. James Bottom, of Churchhill, died suddenly last Wednesday night. We did not learn the full particulars.

Tarwater Bros., the great horse dealers, have something to say to our readers in the business locals. See what it is.

If you are looking for bargains in ladies' and children's hats, read what Mrs. Taylor has to say about them in the business locals.

Tobacco market has been dull like all other business the past week owing to the election. We look for better breaks and better prices from now on.

Some of our subscribers will receive their paper a little late because we purposely held the paper back in order to get the very latest returns.

The returns from the Warrenton R. R. for the month of Oct. are indeed flattering. 339 passenger ticket sold and the total earnings foot up the handsome sum of \$443.33.

Our Thanksgiving Opossum we had up expecting to kill on Thanksgiving day, after Bryan and Cy Watson's election got away from us last Friday which was a bad omen. We lost our opossum, Bryan and Cy Watson.

Mr. R. H. Ford showed us a pair of eye glasses, he has good reason to believe to be over 200 years old. They are indeed a curiosity. They are ugly enough to scare the people of this age. They have been in Mr. Ford's family for the last 200 years.

It seems that the entire national government will be in the hands of the Republicans; President, Senate and Congress. We hope it will be so when the country will see just exactly what republican rule will be.

Mr. Earnest L. Egerton, son of our esteemed countryman Mr. Geo. J. Egerton, died last Monday after a long spell of sickness. Mr. Egerton was a young man about 23 years old and is thus cut down in the very beginning of manhood. The funeral services were held by Rev. T. J. Bailey and he was gently laid to rest by his friends and neighbors. Our deepest sympathies go out to his parents, brothers and sisters.

A terrapin was found last year by Mr. B. E. Collins with the initials "D. R.", and the figures, "1843" on its shell. At the time it was caught last year Mr. Daniel Riggan, of Wake Forest, said that he marked his initials on a terrapin in 1843 while he was living at the same place that Mr. Collins now lives, the Aey George place, and therefore he thought it must be the same terrapin but before Mr. Riggan was heard from Mr. Collins out his initials and the figures 1895 on the terrapin and turned the old fellow loose. Since that time Mr. Collins has been on the lookout for him and last week ran upon the same said old terrapin which is now in the possession of Messrs Riggan Bros. of this place, sons of Mr. Daniel Riggan. He is evidently the same old terrapin and must be fifty three years old.

God's promise is more sure than man's performance.

President Clearhand has issued his Thanksgiving Proclamation. Thursday the 26th, of Nov. is the day appointed for us all to give thanks. Grover seems to think we have special reasons to give thanks from the fact that the gold standard is to be sustained.

Contentment is found in making others happy.

LEARNING.—The end of learning is to know God, and out of that knowledge to love him, and to imitate him, as we may the nearest, by possessing our share of true virtue.—Milton.

BRODIE, N. C., Nov. 2nd, 1896.

ED RECORD.—In a recent issue of your paper you gave Postmasters in general, and "Brodie" in particular a regular sandow knockdown. As I have no means of answering, except in your own paper I trust you will allow me the privilege of doing so.

It is a well known fact that P. M.'s as a class of people are of the best class. "Brodie" claims to be only an average P. M., has been a servant of the people in that capacity for over fourteen years.

In that time, has never loaned out a patrons paper, or read one, or delivered a paper, or mail of any other kind to any doubtful party unless that party could show an order.

"Brodie," believes in educating the people. Gives away a great deal of reading matter and loans out a great deal. "Brodie" pays for, in its own proper name three weeklies, three monthlies, and one semi-monthly and claims the privilege of giving them away, or loaning them out at pleasure.

Perhaps if the dust was brushed off of the Bible and read, some one might find a text which says, from him who would borrow, turn thou not away.

P. M. BRODIE.

(The Record only wishes that he had Brodie P. M.'s all over the county and State.)

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggist, 75c.

Never forget how scared a thing honesty is.

Blood and Nerves are very closely related. Keep the blood rich, pure and healthy with Hood's Sarsaparilla and you will have no trouble from nervousness. Get only Hood's. Hood's Pills are the best after-dinner pills, assist digestion, prevent constipation. 25c.

ROANOKE RAPIDS, N. C. Nov. 5th 1896.

Died at her home in this place Tuesday morning at five o'clock, Mrs. Octavia A. Williams after a long illness. Aged 53 years.

The deceased was a consistent member of the Baptist church of this place and her death is greatly lamented. She leaves two sons and two daughters to mourn their loss, who have our sympathy. Her remains were interred in the family burying ground in Warren Co., on Wednesday.

Mrs. Williams, whose death is announced in the above communication, is well and favorably known in our county and her friends will sorrow to hear of her death. Her body was brought to her former home in this county for interment last Wednesday. The Record extends its sympathy to the bereaved ones.

The Heart.
If happiness has not her seat
And centre in the breast,
We may be wise, or rich, or great;
But never can be blest;
Nae treasures nor pleasures
Could make us happy lang;
The heart ay's the part ay,
That makes us right or wron'.
