**Our County Officers.**  
While some of our county officers are of a different political faith from what we would like to have them, yet on the whole we believe they are all gentlemen of honor and respectability, and we confidently expect them to make good efficient officers.

The Board of Commissioners are composed of good men, men who will endeavor to do their duty conscientiously and faithfully.

The Treasurer and Register of Deeds have been in the same offices for many years and are as efficient, polite and prompt as any officers in the State.

The sheriff, Mr. J. W. Jones, has now been elected to the office of sheriff of the county, but he is a man of good qualities, handsome and looks like a sheriff already; in fact he comes from a line of sheriffs. His father, the venerable Joseph S. Jones, was sheriff of this county for more than a score of years, and the Jones family held the office of sheriff in this county for over forty years. The incoming sheriff, we predict, will make a popular officer.

We wish all the new officers abundant success in their official life, and hope that they will have the encouragement and support of all patriotic citizens, of whatever political faith, in their efforts to honestly and efficiently administer the affairs of their respective offices. The Record stands ready to help them in the discharge of their responsible duties.

Nothing was saved in the great Democratic conflagration in this State except the Kitchen, but that is a very important part of an establishment.

The Populist, in large numbers, certainly must have voted for Russell for Governor or he could not have received the large vote he is said to have gotten.

County officers and township officers elected, who will have to give bonds, are going to find it harder than they thought for to give the required bonds.

The Warren Union will meet with Browns church Friday and Saturday preceding the fifth Sunday of this month. An interesting program has been issued.

Every man is entitled to vote as he deems right and proper and it is not right or proper to fall out with your neighbors and friends because they do not see things politically as you do. Let's have peace and every body for business now.

All officers of every description elected at last election have to render to the C. S. C. a verified itemized account of their election expenses. Judge White informs us that several have not done so yet. To day is the last day allowed for their returns.

We are reliably informed that Mr. DeWitt McCraw, a former well known citizen of our town, has after spending many years in single blessedness taken unto himself a better half. Better late than never, especially when the beautiful young widow friend DeWitt has captured and reported wealthy.

A large number of our patrons' subscriptions to THE RECORD expire with this number. All those who started with the paper under Dr. Long's management will have to renew. Please see, kind reader, if your paper is marked, and if so please renew promptly. We are sadly in need of the money. Don't delay this matter, but attend to it at once, and save us the trouble of calling your attention to it the second time.

**Bucklen's Arnica Salve.**

Rev. C. N. Wharton will fill his pulpit here, in the Presbyterian church, next Sunday morning at 11, o'clock.

Mr. J. H. Kerr Jr., received a very flattering vote indeed for senator from this the 11th district. Had he come out sooner and made speeches in all parts of this county and Vance, we verily believe he would have been elected. He led his ticket here and in Vance. His efforts in behalf of the entire silver ticket were splendid and it is a pity that he was not heard by all of our people.

There are two things we call the attention of our patrons to, which must be adhered to.—1st. Business Locals will be placed in the business local column, first column in paper, most prominent place, and no notice of them, here after, will be made in the Local News Column.

2nd. All advertisements must be handed in to the printer by 10, o'clock every Thursday morning. It is absolutely necessary for us to enforce the two above rules in order to get the paper out in time and to save space for the news.

The People's Paper, of Warren Plains, is no more. Having served its purpose, so it says, it retires. Bro. Walker has moved to Littleton and will publish a paper from there. Its character and purpose he does not tell us. This leaves THE RECORD, practically alone in this field, and we wish all to remember that we are still in the ring and wish to double our subscription list between now and Christmas. We have some excellent things in store for our readers, now that the election is over. Subscribe now and get these good things. We are anxious to issue a good county paper and to have the same to cater every household in the county and surrounding country. Only \$1.00 per year.

The wife of Mr. Leonard Wells, of East Brimfield, Mass., had been suffering from neuralgia for two days, not being able to sleep or hardly keep still, when Mr. Holden, the merchant there sent her a bottle of Chamberlain's Pain Balm, asked that she give it a thorough trial. On meeting Mr. Wells the next day he was told that she was all right, the pain had left her within two hours, and that the bottle of Pain Balm was worth \$5.00 if it could not be had for less. For sale at 50 cents per bottle by F. P. Hunter, Druggist.

**Death of Mrs. Henderson.**  
Mrs. John L. Henderson's death has been expected for some time. For several weeks she has been extremely ill at her uncle's, Dr. J. B. Williams' in Ridgeway. Last Wednesday afternoon she quietly fell asleep and her remains were brought to the old cemetery here, yesterday, and laid to rest by the side of her little son who preceded her across the river about six months ago.

Mrs. Henderson was a most estimable christian woman, wife of our esteemed townsman, Mr. John L. Henderson, and daughter of Mr. and Mrs. Sol E. Williams. She was a consistent member of the Presbyterian church of this place and died in full hope of a blessed immortality beyond this life. Her pastor, Rev. C. N. Wharton, conducted the burial services at the grave.

Our deepest sympathies go out to the husband who has lost his loving, devoted wife, and to the father and mother who have lost a loving dutiful daughter, and to the brothers and sisters who have lost a model sister. May the God of infinite love and wisdom pour the oil of consolation into these sore hearts.

**Help us Push it.**  
This issue of THE RECORD closes the 4th year of its existence. It was established four years ago, and Dr. B. F. Long, its first editor, issued its first number on Nov. 17th 1892. The paper has steadily grown in favor with our people both as to subscriptions and advertisements. We are truly thankful for the liberal patronage given the paper under its present management, both from subscribers and advertisers, but our watch word is "Go Forward," and with practically no other paper in the county we confidently expect to double our subscription list in the near future. THE RECORD will strive to work for the best interest of Warren county and Warrenton, and to give the news faithfully and honestly. We cordially invite every citizen of whatever race or faith in the county and surrounding country to subscribe. The price, \$1.00 per year will be maintained. If our business will justify it, we contemplate in the near future an enlargement of the paper and other improvements. Let the good people of our county, of both races, encourage us by their patronage, and we promise to give you a paper worthy the name and one that you will not be ashamed to acknowledge as your county paper.

**Good advice:** Never leave home on a journey without a bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy. For sale by F. P. Hunter, Druggist.
