

Local News.

Mr. J. C. Cuddell, representing the *Biblical Recorder*, is in town.

Mr. Howard Browning, of Littleton, was on our streets yesterday.

Miss Minna Speed, of Franklin Co., visited the Misses Davis this week.

Miss Pannie White left yesterday, greatly to the sorrow of our young men.

Gardening is the order of the day. Many a bushel of seed Irish potatoes was sold here this week.

The editor has just been the recipient of a splendid hat presented to him by one of his best friends.

J. M. Ransom & Sons are putting up a beautiful delivery wagon for Riggan Bros., which will soon be on the streets.

The Jurors summoned for second week of court will not have to attend, since court has adjourned for the term.

Mr. T. M. Casserly has a nice lot of cabbage, nearly large enough to eat. Uncle Tom can't be beaten on the garden question.

Our telephone service is most excellent, and Capt. Toepfman will soon have us in connection with Macon, Vaughans and Littleton.

"Aunt Malinda," who has been quiet so long, has been aroused and we hope to hear from her soon, and will give our readers the benefit of her letters.

One of the largest crowds seen for some time attended the funeral and burial services of Mrs. W. H. Palmer in Fair View cemetery last Sunday.

Horace Tally, Sr., has instituted suit vs. R. & G. R. R. for damages, because of the killing of his son Horace in the wreck at Warren Plains a few weeks ago.

Mr. L. T. Brown, so our exchanges say, will be associated with the management of the Yarrowough House in Raleigh again. It will look more home like and natural to see Lewis there.

Rev. J. O. Guthrie has a letter in this week's *Christian Advocate* that is full of pleasant things about Warrenton and our people. We are sure our people return the compliment and like Mr. Guthrie as well as he likes us.

Among the visitors from a distance we had the pleasure of meeting Messrs. J. A. Burt and Plummer Davis, of Franklin county, Mark Perry, and Dr. I. E. Green, of Halifax county, and E. H. Russell, of Virginia.

Politics and war were the main topics of discussion this week. We learn that one township in the county has five candidates for the Sheriff's office. Night meetings are frequent and the ward politician is now in his glory.

Mr. D. M. Shearin, of Areola, has a half acre in clover sown on the 15th of last Oct. that will average ten inches high now. This looks like clover and grasses can be grown here successfully when properly manured and cultivated.

Mrs. T. M. Casserly accompanied by Miss Sue Watkins will leave for Baltimore to-morrow to look at the new spring styles and lay in a spring and summer stock. Look out for her advertisement and date of opening day in next issue.

Johnson & Shaw lost one of their fine pair of sorrel horses last Wednesday evening. The horse dropped dead in harness traveling along the road near Church's store in Vance county. It was a valuable horse, worth considerable money.

Among the visiting lawyers attending court this week we notice Messrs. J. B. Batchelor and B. M. Gatling, of Raleigh, T. T. Hicks, W. B. Shaw and T. M. Pittman, of Henderson, C. M. Cooke, of Louisburg, S. G. Daniel and Howard Alston, of Littleton, Thos. W. Hawkins, of Charlotte, R. A. Hawkins, of Youngsville and T. N. Hill, of Halifax.

Mr. Harvey Bryant, a student of the Warrenton High school, who has been very sick here, was taken to Norfolk last Sunday night for special treatment. His mother, Mrs. Dr. Black, of Littleton, was with him, and Dr. Picot, of Littleton, accompanied him to Norfolk. We learn that the desired operation has been successfully performed and that he is doing well.

Mr. Owen Davis, of Henderson, N. C., has associated himself with our contractor and townsman, Mr. J. A. Duvall. Their business will be located at Vaughan, N. C., where they will manufacture brick and lumber on a large scale. Mr. Duvall went to Vaughan Monday to receive the machinery for their plant and put it in place for operation. Look for their advertisement in next week's paper.

We have a letter from Mr. I. E. Alcock, editor of the *Morganton News*, of Georgia, who wishes to exchange papers with us because he says in his old age, being now 70 years old, his mind wanders back to his boyhood home. He writes us that he at one time clerked for Mr. John White in Warrenton. His mother was Miss Eaton, a daughter of Mrs. Mary Eaton of near Shocco Springs. We shall send him *The Record* as a letter from home every week.

"Maine" Question!

IN TIMES OF PEACE PREPARE FOR WAR! WAR! WAR!!

Mr. John S. Robson, a one legged confederate soldier, of South Boston, Va., is here. Mr. Robson was a private in the 52nd Virginia Smith Brigade, Early's Division, and has written an exceedingly interesting account of the campaigns of Stonewall Jackson which he is selling for a living. The book contains the complete regimental rosters of both the great armies at Gettysburg, which alone is worth the price of the book. He comes highly recommended by the press and many noted citizens of our State, among them Mr. Julian S. Carr, of Durham. Mr. Robson will be in our pleasant town for a few days and desires to sell his interesting book to our people that he may thus make an honest living.

Mrs. Alice Scoggin Palmer.

The subject of this sketch was born March 1843— Married to Mr. W. H. Palmer in 1865 and died March 19th, 1898.

Mrs. Palmer's maiden name was Scoggin and she leaves many relatives who are some of the first people of the county, to mourn her departure.

She had for more than forty years been a consistent member of the M. E. Church South and exemplified the profession she made by a life of piety and devotion to the cause of Christ— Among her last expressions was a quotation from God's word "I know that my Redeemer liveth." She leaves a husband and three sons to mourn their loss.

May the pitying Father look with compassionate tenderness upon the stricken husband and children and may they all so live as to meet their loved one in heaven. A FRIEND.

Millions Given Away.

It is certainly gratifying to the public to know of one concern in the land who is not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, Bronchitis, Hoarseness and all diseases of the Throat, Chest and Lungs are surely cured by it. Call on C. A. Thomas, Druggist, and get a trial bottle free. Regular size 50c. and \$1. Every bottle guaranteed, or price refunded.

Mrs. Sarah E. Loyd.

Mrs. Sarah E. Loyd, beloved wife of Mr. W. E. Loyd departed this life at her home near Macon on the 12th inst. in the thirtieth year of her age.

She professed religion in her childhood, and about twelve years ago united with the Baptist church at Warren Plains and continued a consistent and highly valued member of this church until she was called up higher.

She lived the life of an earnest Christian, and when death came she was ready and willing to go. She said, as the death shades gathered about her, "It is so dark," and after a little while she triumphantly exclaimed, "The light has come again. I can see all the way plainly now. I will soon be over."

Sister Loyd was a good woman and her husband, her two children, and all her kindred have sustained a great loss. We sincerely sympathize with them. By and by, they will doubtless find her at the beautiful gate "waiting and watching for them." T.

Bucklen's Arnica Salve.

The best Salve in the world for Cut, Bruises, Sores, Ulcers, Salt Rheum, Liver Sores, Tetter, Chapped Hands, Chillsbains, Corns, and all Skin Eruptions, and positively cures Piles or hemorrhoids. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box, for sale by Dr. C. A. Thomas.

ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

CHIEF CAUSE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty-four hours; sediment or settling indicates kidney or bladder trouble. The mild and extraordinary effect of Dr. Kilmor's Swamp-Root, the great kidney and bladder remedy is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail, upon receipt of three recent stamps to cover cost of postage on the bottle. Mention *The Record* and send your address to Dr. Kilmor & Co., Binghamton, N. Y. The proprietor of this paper guarantees the genuineness of this offer.

Now is the time to sow clover. Seed for sale by F. P. Hunter.
