"Some time ago my daughter caught a severe cold. She complained of pains in her chest and had a bad cough. I gave her Chamberlain's Cough Remedy according to directions and in two days she was well and able to go to school. I have used this remedy in my family for the past seven years and have never known it to fail," says James Prendergast, merchant, Annato Bay, Jamaica, West India Islands. The pains in the chest indicated an approaching attack of pneumonia, which in this instance was undoubtedly ward off by Chamberlain's Cough Remedy. It contracts any tendency of a cold to ward pneumonia. Sold by all Drug-gists.

Death of Mrs. W. J. Norwood.
Our entire community was shocked when it was announced on Christmas day that the above mentioned most excellent lady had breathed her last. Though her health had not been robust for sometime still no one anticipated that her valuable life was so near its end. She was universally beloved and will be sadly missed. We doubt if one who has once been a guest beneath the hospitable roof of the Norwood House will ever forget her.
The funeral services were held from the Methodist Church on Thursday afternoon and the spacious building was crowded with sorrowing friends, white and colored, to pay their tribute to her memory.

Death of Mr. John Limer.
Since THE RECORD greeted its readers death has taken from us our friend and countryman, Mr. John Limer, of Shocco to kinship. He had been in ill health for some months. He passed away at his home on Monday, Dec. 23rd. 1901. Mr. Limer was an industrious, prosperous man, a good citizen, a true friend. We shall miss him. To his wife, sons and daughters we extend our sincere condolence.

Death of Mrs. Fitts.
Mrs. J. M. Fitts, daughter of our esteemed friend, Mr. H. B. Hunter, Sr., died at the residence of Mr. Wm. A. Burwell, in this place on December 20th, 1901.
She was a most estimable lady, beloved by all who knew her and husband, parents, children and all have the sympathies of the entire community.
The funeral services were held from the Methodist Church Sunday afternoon and a number of sorrowing friends followed her remains to Fairview cemetery.

There will be a meeting of the North Carolina Farmers State Association at the Agricultural Building in Raleigh, at 7:30 p. m., Jan. 14th, next. This will be an important meeting and representatives from every county should be present. The cotton seed situation, the fertilizer question, and other topics of interest to the farmers will be discussed. It is evident that farmers can profit by organization as well as other classes. Times have changed and people of every class should adapt themselves to the new conditions, farmers as well as other classes.
