How it is Done.

The first object in life with the American people is to "get rich"; the second, how to retain good health. The first can be obtained by energy, honesty and saving; the second, (good health) by using Green's August Flower. Should you be a despondent sufferer from any of the effects of dyspepsia, liver complaint, appendicitis, indigestion, etc., such as sick headache, palpitation of the heart, sour stomach, habitual constiveness, dizziness of the head, nervous prostration, low spirits, etc., you need not suffer another day. Two doses of the well known August Flower will relieve you at once. Go to Thomas's drug store and get a sample bottle free. Regular size, 75 cts. Get Green's Special Almanac.

The people who act like fools generally do so because they can't help it.

You know what you are taking when you take Grove's Tasteless Chill Tonic because the formula is plainly printed on every bottle showing that it is simply Iron and Quinine in tasteless form. No Cure, No Pay. 50c.

A Notice from W. H. S.

The citizens of the town and county are specially invited to attend services in the Baptist Church conducted by Dr. W. C. Tyree on Thursday, May 29th at 11 a. m. and to hear the Literary address of Dr. Edwin Mims, of Trinity College, at the Academy on Friday, May 30th, at 11 a. m. JOHN GRAHAM.

Reveals a Great Secret.

It is often asked how such startling cures, that puzzle the best physicians, are effected by Dr. King's New Discovery for Consumption. Here's the secret. It cuts out the phlegm and germ infected mucus, and lets the life giving oxygen enrich and vitalize the blood. It heals the inflamed, cough-worn throat and lungs. Hard colds and stubborn coughs soon yield to Dr. King's New Discovery, the most infallible remedy for all throat and lung diseases. Guaranteed bottles 50c and \$1.00. For sale at C. A. Thomas's.

Death of Mrs. Mangum.

Mrs. Martha Mangum, beloved wife of Mr. A. J. Mangum, died at the residence of her son, Mr. J. R. Mangum, in the early morning of Sunday, May 18th, 1902.

She was the mother of seven children, two of whom preceded her to the spirit world, and five remain to mourn their loss.

When eighteen years of age she made a profession of religion and united with Tabb's Creek Baptist Church in Granville county, and remained a devoted christian in fellowship with that church until in response to the call of her Lord she went home. For sixty years she served the Master on earth, and has gone, we believe, to serve Him forever in heaven. May God comfort and bless the bereaved ones.

"Lo! the prisoner is released,
Lightened of her fleshy load;
Where the weary are at rest,
She is gathered into God."

Wants Others to Know.

"I have used DeWitt's Little Early Risers for constipation and torpid liver and they are all right. I am glad to endorse them for I think when we find a good thing we ought to let others know it," writes Alfred Heinze, Quincy, Ill. They never gripe or distress. Sure, safe pills.

In Memoriam.

Malissa Ann Paschall, (nee Trisdale) the wife of Mr. R. H. M. Paschall, was born in Warren County, N. C., Nov. 10th, 1838. She departed this life after a short sickness on the 14th of May, 1902. She leaves a husband and seven children, three of her children having preceded her to the grave. Her body was conveyed to its last resting place in the cemetery at Jerusalem church on the 15th inst. A vast concourse of people assembled to do honor to her memory and the writer has never seen a congregation that gave more marked evidence of bereavement.

Thus simply tells of the "passing" and triumph of one of God's noblewomen. She was faithful, self-sacrificing, patient and true as wife and mother; wholehearted, genial and helpful as friend and neighbor; consecrated and pious as a christian. Not only has the immediate family felt the stroke of providence that took her away, but the whole community bears testimony to its loss by her death. Jerusalem Church had no member more willing to do, or if need use, to suffer for her welfare than sister Paschall. But the day of toil and suffering is past and the day of rest and coronation has come. "Blessed are the dead who die in the Lord." May husband and children follow the guidings of the same blessed spirit that led her so safely, until they shall arrive at that point beyond the grave where all paths of duty converge. D. L.

No Loss of Time.

I have sold Chamberlain's Colic, Cholera and Diarrhoea Remedy for years, and would rather be out of coffee and sugar than it. I sold five bottles of it yesterday to threshers that could go no farther, and they are at work again this morning—H. R. Phelps, Plymouth, Oklahoma. As will be seen by the above the threshers were able to keep on with their work without losing a single day's time. You should keep a bottle of this Remedy in your home. For sale by all Druggists.
