Summer complaint is unusually prevalent among children this season. A well developed case in the writer's family was cured last week by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy—one of the best patent medicines manufactured and which is always kept on hand at the home of ye scribe. This is not intended as a free puff for the company; who do not advertise with us, but to benefit little sufferers who may not be within easy access of a physician. No family should be without a bottle of this medicine in the house, especially in summer-time.—Lansing, Iowa, Journal. For sale by all druggists.

Our trip to the mountains leaves us strapped. Delinquent subscribers are earnestly requested to come to the relief of the distressed.  
An interesting game of ball between Littleton and Warrenton is on as our forms are being locked. The returns are too late for this issue.  
Chief of Police John W. Allen visited Raleigh this week bringing back with him his son, Mr. L. C. Allen, who is here for several days of rest.  
Lack of space this week crowds out several articles that we would have been glad to print. Some are good enough to keep over and will appear next week.

Quite an electric storm passed over Warrenton and the northern part of the county last Monday night. At Wise Mr. J. R. Paschall's stable was struck by lightning and was destroyed by fire, burning three valuable mules and a lot of long food. The damages were some five or six hundred dollars.  
Capt. B. P. Terrell, the pleasant, genial agent of the W. R. R. requests us to announce for the benefit of the traveling public that in the future the train will not be stopped for passengers to get on and off within the corporate limits of the town, except at the crossing in front of Mr. Kerr's residence, but no baggage will be taken on.  
Our esteemed friend M. T. Duke, Esq., of Fishing Creek township, was in town last Tuesday and told us about a fine ripe watermelon he had raised, and which he would cut today, July 4th. This beats any thing we have heard of in many years. Mr. Duke also told us about his fine cotton that bloomed long before any of his neighbors.  
"The Empyrean Club" composed of three young ladies from Louisville, N. C., came to Warrenton this week and gave our people an entertainment consisting of song, piano music and elocution, that was superb. The ladies of the club are Misses May Jones, Sallie and Helen Williams. The two Misses Williams are native Warrentonians, daughters of Mr. and Mrs. J. Wesley Williams, and Miss Jones is a native of Louisville. Miss Sallie Williams is the pianist, Miss Helen Williams the soloist and Miss Jones the elocutionist. Each of these ladies are real artists in their respective roles. The high character of the ladies makes their concert more attractive. A good house was given the club here, and Warrenton has not in the memory of this writer had such a real genuine treat in song, music and elocution. THE RECORD commends the Club most heartily to the people of the State, and will assure the public an evening well and delightfully spent in attending one of their recitals. The most cultivated and refined will enjoy the entertainments given by "The Empyrean Club."

**The Best Liniment for Strains.**  
Mr. F. H. Wells, the merchant at Deer Park, Long Island, N. Y., says: "I always recommend Chamberlain's Pain Balm as the best liniment for strains. I used it last winter for a severe lameness in the side, resulting from a strain, and was greatly pleased with the quick relief and cure it effected." —For sale by all Druggists.

**Died.**  
In Warrenton, N. C., on the evening of June 27th 1902, Mrs. Caroline M. Hunter, beloved wife of Mr. Henry B. Hunter, aged eighty two years.  
Softly, slowly, gently the music of another life has been hushed, and as we stand over the new made grave, breathing the odor of fading flowers which kind hands have placed thereon, the voice of memory whispers lovingly of her, who now rests beneath the sod, while the lengthened shadows of the closing day seem spirits of the past, who, years ago, were companions of her youth and beauty.  
Enwrapped in a veil of modesty, few knew the dignity and power of this gentle being, whose influence served to mould into noble men and women those around her.  
Endowed with a nature of great tenderness, she was ever a sympathetic friend, while her delicate perceptions of right and justice made her a wise counselor.  
In youth she embraced the Christian faith, which ever served a trellis, to support, amid life's storms, her pure, clinging soul, enabling her to bear meekly its sorrows, and to realize, "Beneath her were the Everlasting Arms." While resting "neath the shadow of His love, her strong faith ever saw the sunlight beyond, and in its warm rays her heart opened in quick response to the human love which surrounded her.  
For nearly three score years she lived in communion with him, who, before God's altar, had promised to cheerish her, and when she "entered into rest," she left him still her lover and each child given them seemed but a tender, to bind more closely these faithful hearts.  
With such echoes from the shores of Time, we feel the life boat has safely anchored in the harbor of a Blessed Eternity, and as we wipe from our eyes the tear drops which gather there, we realize the hallowing influence of her life, and turn to meet life's duties as bravely as she ever did.
