A Cure for Cholera Infantum.
"Last May," says Mrs. Curtis Baker, of Bookwater, Ohio, "an infant child of our neighbor's was suffering from cholera infantum. The doctor had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days' time the child had fully recovered, and is now (nearly a year since) a vigorous, healthy girl. I have recommended this Remedy frequently and have never known it to fail in any single instance." For sale by all Druggists.

It Needs a Tonic.

There are times when your liver needs a tonic. Don't give purgatives that gripe and weaken. DeWitt's Little Early Risers expel all poison from the system and act as tonic to the liver. W. Scott, 331 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress.

A good name is more to be prized than great riches, but it's natch the same thing on a check.

Cures Rheumatism.

URICOL cures Rheumatism and all Bladder and Kidney troubles caused by uric acid. It has performed hundreds of remarkable cures in Los Angeles, Cal., where it is being manufactured, on account of an urgent demand caused by the remarkable cures it has made, and it is now being introduced in this section. It is highly endorsed and is destined to have a large sale. It cures these diseases easily and permanently. Druggists sell it at \$1.00 per bottle, or six bottles for \$5.00.

A Gentle Hint

In our style of climate, with its sudden changes of temperature, rain, wind and sunshine often intermingled in a single day, it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, mild the deaths resulting directly from this cause. A bottle of French's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses. For curing consumption, hemorrhages, pneumonia, severe coughs, croup, or any disease of the throat or lungs. Its success is simply wonderful, as your druggist will tell you. Get a sample bottle free from Thomas' drug store. Regular size, 75 cts. Get Green's Special Almanac.
