## Brain-food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutritive value is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at Thomas' drug store. Get Green's Special Almanac.

## Riot on Seaboard Train.

Tuesday afternoon as the Southbound train No. 41 of the S. A. L. passed Middleburg a small riot occurred, as a result of which Road Master Fred Stevers was instantly killed and negro porter Jim Mitchell mortally wounded. A negro named Cole was the instigator and leader of the fracas. Capt. W. P. Clements, conductor, barely escaped being killed owing his escape to the faithfulness of the negro porter. The rioters are now in jail at Henderson and a jury of fair minded men would lose no time in sentencing them. Failing to do their duty, the matter could easily be settled out of the courts. We are glad that Warren county will not have to entertain these negroes.

## To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words cannot tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Iowa. Health and strength, of mind and body, depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals.

For an hour of mirth we frequently pay a month of sorrow.

## Cures Rheumatism.

URICOSOL cures Rheumatism and all Bladder and Kidney troubles caused by uric acid. It has performed hundreds of remarkable cures in Los Angeles, Cal., where it is being manufactured, on account of an urgent demand caused by the remarkable cures it has made, and it is now being introduced in this section. It is highly endorsed and is destined to have a large sale. It cures these diseases easily and permanently. Druggists sell it at \$1.00 per bottle, or six bottles for \$5.00.
