The thrifty, wide awake good people of Wise have put their shoulders to the wheel and their hands in their pocket books and are going to supplement their public school funds to such an extent as to run a nine months school of high grade in their community. They have employed Mr. W. O. Dunn and daughter, of Littleton, to take charge of the school. These people are to be commended for their generosity along the educational line. This makes two districts in our county that are doing this. The progressive, good people of Churchill started this last year and will continue the good work. Let other neighborhoods catch the good spirit and do likewise.
FIREMEN WIN A PRIZE.
The Warrenton Plummer Engine Co. No. 2 left Monday with their full complement of men to attend the colored Firemen's Tournament held in Raleigh this week. To My Friends.
It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words cannot tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Iowa. Health and strength, of mind and body, depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals.
A pair in a hammock,
Attempted to kiss;
In less than a minute
They landed like this!

A Cure for Cholera Infantum.

"Last May," says Mrs. Curtis Baker, of Bookwalter, Ohio, "an infant child of our neighbor's was suffering from cholera infantum. The doctor had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days' time the child had fully recovered, and is now (nearly a year since) a vigorous, healthy girl. I have recommended this Remedy frequently and have never known it to fail in any single instance." For sale by all Druggists.

Confederate Reunion and Educational Rally; a Grand Success.

The best reunion of the Confederate veterans ever held in this county was witnessed last Saturday. Of this we are glad, for the noble soldiers have not many more years with us and we should provide them as much pleasure in their declining years as possible.
The members of the John White Camp met at the court house and out of respect to their commanding officer decided to postpone the election of officers until he returned. The following telegram was read:
Chairman Confederate Veterans:
"My heart is with you to day. God bless you all."
"W. J. WHITE."
From the Court House the line of march led up Main street headed by the Warren Guards, Capt. E. C. Price, commanding, to Deans Grove. Here seats were arranged facing the speakers' stand. After prayer by the Rev. T. J. Taylor, the Hon. Dan Hugh McLean, of Dunn, was introduced by Tasker Polk, Esq. Mr. McLean praised the valor of the old soldiers and the loyalty of the women who aided them. He made a stirring appeal that this day be continued. The only shadow on the fair history of N. C., said the speaker, is the illiteracy of her sons and daughters which we all deplore and which we are strenuously endeavoring to remedy.
In a neat speech, Prof. John Graham, introduced Dr. B. F. Dixon, of Raleigh. Dr. Dixon caught the attention of all by his humorous treatment of the subject of education, and was frequently applauded.
After the speeches a bountiful dinner, sufficient for the 1200 people who attended was spread.
To the gentlemen comprising the various committees much praise is due for the way in which they managed the arrangements.
We hope that our friends of the gentle sex will speedily adopted the suggestion made by Mr. McLean and organize a Chapter of the Daughters of the Confederacy.

It is highly endorsed and is destined to have a large sale. It cures these diseases easily and permanently. Druggists sell it at \$1.00 per bottle, or six bottles for \$5.00.
