To improve the appetite and strengthen the digestion, try a few doses of Chamberlain's Stomach and Liver Tablets. Mr. J. H. Sartz, of Detroit, Mich., says, "They restored my appetite when impaired, relieved me of a bloated feeling and caused a pleasant and satisfactory movement of the bowels." Mr. Samuel Harper.

Mr. Samuel Harper was a native of Warren County and spent his entire life as a citizen of this county, and was for many years a well known and highly esteemed resident of the town of Warrenton.

He was an industrious and prudent man, provided well for his own household and had something to spare to the needy. He was a good citizen, genial and companionable in the social relations, just and honest in business, loyal to his friends, true to his church, and faithful to his God. He loved children and children loved him.

He and his devoted wife lived many happy years together and were not long separated by death.

The Warrenton Baptist Church of which he was one of the oldest members deeply sympathizes with his many friends in their bereavement. But we rejoice in the belief that with him it is forever well. After more than seventy six years spent amid the joys and sorrows of earth he entered into rest.

Kidney Dyspepsia Cure

Digests all classes of food, tones and strengthens the stomach and digestive organs. Cures dyspepsia, indigestion, stomach troubles, and makes rich red blood, health and strength. Kodol rebuilds worn-out tissues, purifies, strengthens and sweetens the stomach. Gov. G. W. Atkinson, of W. Va., says: I have used a number of bottles of Kodol and have found it to be very effective and, indeed, a powerful remedy for stomach ailments. I recommend it to my friends.

A Timely Suggestion.

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be warded off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures.
For sale by all Druggists.

A Million Voices

Could hardly express the thanks of Homer Hall, of West Point, Ia. Listen why: A severe cold had settled on his lungs, causing a most obstinate cough. Several physicians said he had consumption, but could not help him. It's positively guaranteed for Coughs, Colds and Lung troubles. Price 50c and \$1.00. For sale by C. A. Thomas, druggist.
