The health officer of the town ought to get busy and see to it that the town is put in a good sanitary condition. So far, nothing has been done along this line. There are bushes and weeds that have not been cut this year. If something is not done we are likely to have fever in our midst this fall.

Our people are reminded of fact that it is a violation of a town ordinance to sweep, throw or fill any of the ditches or gutters of the town with any trash or rubbish of any kind. If we are to keep a clean town this ordinance must be enforced and the town constable tells us that he is going to get after those who violate this law.

Rev. G. F. Smith, Presiding Elder of the Warren District, held quarterly conference at Aroola last Saturday and preached Sunday morning. Mr. Smith came to Warrenton Sunday evening and occupied the pulpit of the Methodist church that night, preaching a very able sermon. Our people always hear Mr. Smith with pleasure.

A thief entered the bed room of Mr. B. C. Hilliard Tuesday night and carried his clothes to the well in the yard and took therefrom about thirteen dollars in money, a nice gold watch, some papers &c. Mr. Hilliard says his loss is about fifty dollars. The thief made his entrance by way of the dining room. It is to be hoped that this bold thief may be caught and dealt with according to law.

Mr. T. O. Rodwell returned yesterday from a squirrel hunt on Roanoke River. A report is current that he, with six other hunters, after a three days hunt, bagged twelve squirrels, and that friend Rodwell succeeded in wounding one which we understand the dog caught. We also have another report which says that these gentlemen killed a barrel of squirrels.

The Warren Farmers' Warehouse, of Warrenton, with \$50,000 authorized and \$5,500 paid in capital stock, was chartered yesterday. The incorporators are: M. J. Hawkins, of Ridgeway; John G. Tarwater; James J. Tarwater and William T. Johnson, of Warrenton; P. B. Perkins and J. R. Paschall, of Wase; and Thomas Gresham, of North Carolina. Its objects are the buying, selling and preserving of leaf tobacco; the buying and selling of live stock, harness and vehicles; the buying and selling of guano and provisions of all descriptions; and the right to lend money secured by mortgages. -Raleigh News & Observer.

Are you lacking in strength and vigor? Are you weak? Are you in pain? Do you feel all run down? The blessing of health and strength come to all who use Hollister's Rocky Mountain Tea. 35 cents. The Hunter Drug Co.
