Letter to H. T. Mason.

Dear Sir: Would you like to hear of a 20 year patient Mr. James A. O'Neil's house, Henderson, N. C., was painted 20 years ago with Devos lead and zinc, and never painted again till last year; it then looked better than common paint in half that time.

The reason is: Devos is all paint and true paint; while the common paints are part true and part false. Don't pay to monkey with paint. And Devos costs less than any of 'em; not by the gallon, of course; by the house and year. That's how to reckon it. Go by the name.

Yours truly F. W. Devos & Co. P. S. J. Willie White sells our paint.

Minister Tells the Truth.

Personal Experience of Aged and Well-beloved Preacher.

No other man in the community is so well-beloved or whose words have such weight as the minister, who has devoted his life to the service of mankind. In Maryland one of the most noted Methodist ministers in the State suffered severely with rheumatism. He found no relief until a friend recommended RHEUMACIDE. He was so delighted with the results that for the benefit of other sufferers, as a duty to mankind, he tells his experience in the following letter:

"Reisterstown, Md., February 27th I was taken with inflammatory rheumatism in my left hand and foot in the beginning of this winter and suffered greatly. A gentleman in Baltimore who had tried RHEUMACIDE for Rheumatism recommended it to me. I secured three bottles and took it in smaller doses than prescribed, and am now entirely cured. Can use both hand and foot without the least inconvenience.

Yours respectfully, J. R. WHEELER, Pastor, Reisterstown M. E. Church."

Hall's Catarrh Cure is taken internally, acting directly upon upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
