Entered December 5th, 1892, at Warrenton, N. C., as second-class matter, under act of Congress of March 3, 1879.

FRIDAY, DEC. 13, 1907.

If you did not find what you were looking for, in the President's message, you were hard to please.

The ginners report shows 8,338,854 bales of cotton ginned to Dec. 1st, against 10,027,868 for same date last year.

The general tone of the President's message is optimistic, and nothing like the old Roosevelt before the panic.

Prof. J. B. Carlyle, of Wake Forest College was elected President of the Baptist State Convention at Wilmington last week. It was a wise selection.

Senator Tillman wants the panic relief plan probed. It would be a good idea to have it looked into, but since the Republicans are in control how is it to be done.

A bill has been introduced in Congress to limit and give publicity to campaign contributions in the future. The Republicans are likely to turn this bill down.

The city of Chicago gets the Republican National Convention next year, and the time of the meeting was fixed for June 16th. Who will the Republicans nominate? Echo answers Roosevelt.

It is now predicted that the earth will become as dry as the moon within 50,000,000 years. If the rate at which the South is going dry is any indication the scientists will have to shorten sail on that guess considerably.

Both the North Carolina Conference, of the Methodist Church, and the State Convention, of the Baptist Church, declared for prohibition at their annual meetings last week. With these two (the largest in the State) bodies of Christians actively enrolled in the cause of prohibition the saloons and dispensaries must go. May the day come speedily.—Greenville Reflector.

United States Senator Du Pont, of Delaware, declares there is no Powder Trust, and that he is interested in railroads and has no connection with a combine. You could rake the United States Senate with a small toothcomb and find it difficult to find a Republican Senator who is not interested in railroads, or some combine for plundering the people. They all believe in protection which fosters trusts and their votes show they favor the corporations. The people of Delaware must feel proud of a Senator who is "interested in railroads" instead of the people. To prefer a Du Pont to Judge Gray, who represents the State under Democratic rule, is a terrible tumble in the wrong direction.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babies. The wholesome green leaves and tender stems of a lung healing mountain shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb". Demand Dr. Shoop's. Take no other. Sold by All Dealers.

Important to Phone Subscribers

On and after January 1st, 1908 all telephone rents must be paid monthly without exceptions. Any phone being in areas for two months will be taken out without further notice. We will appreciate it very much if subscribers would pay the collector when the bills are presented as no bills are presented until the service has been rendered and it is quite a hardship on the management to be compelled to send several times to collect the small amounts. Death of a Promising Young Man

Mr. Robert R. Palmer died at the home of his parents, Mr. and Mrs. Nathan M. Palmer in this place, on Sunday, Dec. 8th., 1907, after a lingering illness of typhoid fever. Mr. Palmer came home sick from his work at Rocky Mt., about five weeks ago, and was never able to leave his room after getting here. All that loving hands an attentive nurse and skilled physicians could do was done but it seems that his time had come. It is so bad that this young man should be taken away when there seemed to be such a bright future before him. He was in his 22nd year.

The funeral services were held from the Methodist Church Monday evening, and in the absence of the pastor, the services were conducted by Rev. B. S. Bronson and Rev. Carr Moore, and the body was laid to rest in Fairview Cemetery. The floral offerings were elaborate and just beautiful. Mr. Palmer graduated in pharmacy from the State University last spring and since receiving his license he has held a position in a drug store at Rocky Mt. As a mark of the high esteem in which he was held in that town the following young men and associates were here to attend the funeral and burial services: Messrs. D. C. Swindell, C. F. Copeland, H. A. Willford, W. E. Spruill, F. P. Spruill, J. C. Daughtridge and H. A. Daughtridge.

To the bereaved ones THE RECORD extends deepest sympathy in the hour of trouble. May God give them grace to look to Him in their hour of sorrow and affliction.

A TRIBUTE OF RESPECT.

It always makes the heart sad to witness the death of any one and especially so when one who is trying to make the most of life and trying to live it as God has taught us in his word, that we should live it, is cut off just at the time when the future looks so bright. Such was the case with Mr. Rob. R. Palmer, who died at his homelast Sunday of typhoid fever. He had lingered long and patiently and died the hope of Heaven as a reward. He was the second son of Mr. and Mrs. Nathan M. Palmer, just 22 years old. He was a young man liked by all, whose fortune it was to know him. Possessed of all the qualities that go to make the true Christian gentleman. He not only possessed these qualities but he demonstrated them in his daily walk. He made friends wherever he went and none spoke of him except in the highest terms of praise. It was not his purpose to make enemies but to make friends, and he succeeded well for they were numbered by his acquaintances. He set an example that it would be well for all young men to follow who aspire to live that higher and nobler life. Manly, noble, quiet, gentle, Such was the character of Rob. Palmer as seen by one who had known him from his youth up.
