Three Months, .25

Entered December 5th, 1892, at Warrenton, N. C., as second-class matter, under act of Congress of Feb. 3, 1879.

FRIDAY, FEB. 14, 1908.

The Republican full dinner pail is obliged to be filled with free soup in many instances.

The Patent Office has just granted a patent for making paper out of saw dust. This is sure to have a serious effect on the breakfast food industry.

The North Carolina Bankers' Convention will meet at the Atlantic Hotel, Morehead City, on June 24th. to 26th. The Convention was organized at Morehead City 12 years ago.

Over eighty-seven millions of dollars of depositors' money is said to be tied up in closed banks and trust companies in New York, and the Republicans proclaim they produced prosperity.

There are four families that want dwellings in Warrenton, yet there is not one for sale or rent. We must have some dwellings and store houses. Who will build several for rent?

Three more large banks have failed in New York and there is said to be trouble with others. Meanwhile a Republican Congress stands pat and is spending its time talking about comparative trifles. The Republican leaders who were so boastful and lordly when things were going their way are now afraid of their shadows and stand in deadly fear of the political future in store for them.

Our neighbor the Louisburg Times, is thirty-eight years old. The present editor, brother J. A. Thomas, has been in charge of the Times thirty-one years and he has made the Times a powerful factor in the upbuilding and prosperity of Louisburg and Franklin county. Bro. Thomas enjoys the confidence of his people as has been shown by his election to the treasurers office for several terms.

The whiskey makers and sellers are already flooding the State with literature favorable to their side of the question, and they try to make some of it appear that it is being sent out by temperance people. These people are using all kinds of arguments to divert and change the minds of the people. As we have previously said there is a great fight before the people of North Carolina, and the temperance forces must get busy. The fight cannot be won without work.

We have talked with a good many of the farmers attending court this week about letting the Cotton Growers' Association go down. While some talked and acted very indifferently about the matter we found those that are willing to put their shoulders to the wheel and try again. We are anxious to see Warrenton county do her share in helping to keep up the organization in the State and throughout the cotton growing section. Let our people come together and revive the organization. We stand ready and willing to aid and assist all we can along this line.

DEMOCRATIC HARMONY.

The nearest approach to harmony where it is most needed in the Democratic party has been exhibited by the untirred Democracy of New Jersey. The leaders of all factions joined together in a banquet at the New Auditorium in Newark in honor of State Chairman Robert S. Hudspeeth who made the fight in the last campaign. Aside from the tribute to the chairman the object of the gathering of the 400 leaders of the party from all sections of the State was to get together for the redemption of New Jersey. Success attended these efforts for the names of Bryan, Harmon, Johnson, Gray, Culbertson and Daniel were mentioned and cheered with apparent impartiality. Harmony and victory were the keynote of all the speeches.

As New Jersey, like New York, is necessary to success in the coming campaign this hopeful outlook for all Democrats uniting for the support of any ticket that may be nominated is an omen of success that will encourage Democrats everywhere. If the discordant elements can unite in New Jersey there can be no good reason for discord elsewhere.

C. C. MOORE COMMISSIONER OF AGRICULTURE.

The name of Mr. C. C. Moore, former president of the North Carolina Cotton Association, has been mentioned for Commissioner of Agriculture. For two years Mr. Moore, largely at his own expense and without adequate pay, has gone all over the cotton growing belt of North Carolina helping by tongue and pen to organize the farmers against the greed of the Wall street money sharks. The cotton growing interests of the State are organized to-day as never before. Mr. Moore has done more than any other man to this end. That he has the ability to fill the position with honor to himself and credit to the State he has abundantly demonstrated. It would be a graceful and merited recognition of Mr. Moore's indefatigable efforts for the farmers of the State to place him in the Commissioner's office. —The Snow Hill Standard Lancer.

OBITUARY.

Mrs. Mary A. Robertson (nee Clanton) was born in Warrenton, N. C., Oct. 23rd, 1858 and died at her home near Grove Hill, N. C., Dec. 20th, 1907. On May 31st, 1874, she was married to Bro. R. Edgar Robertson with whom she lived happily to the day of her death. She was a member of the M. E. Church, South, at Bethlehem, on Warren Circuit, but her severe afflictions kept her from church for several years before her death which she greatly deplored. She loved to talk about the church and the religion of Christ, and was always glad to be with the people of God. She was a good wife, a kind neighbor and a true friend. She was resigned to the will of God, and was frequently heard to say, during her last days, that she was almost in the arms of Jesus. Those who knew her best feel sure that she is now at rest. She bore her long illness with Christian fortitude, and notwithstanding her great suffering she was ever mindful of the comfort of those about her. On Sunday, Dec. 22nd, her body was tenderly laid to rest near the dear old home she loved so well. May God bless and comfort the bereaved husband and bring him at last to the home of the good.

Superior Court in Session.

The February term of Warren Superior Court convened Monday morning with Judge O. H. Allen presiding, and Solicitor Jno. H. Kerr prosecuting on behalf of the State. The court officers, Clerk J. R. Rodwell, Sheriff R. E. Davis, with their deputies, were present and court moved off without a wait. The Grand Jury was drawn as follows:

J. T. Reams, Cleve Stallings, J. Hope Bullock, J. J. Crinkley, A. G. Cverby, B. W. Powell, W. T. Robertson, J. A. Hudgins, W. T. Powell, A. A. Jones, J. T. Gupton, D. A. Fishel, foreman, J. W. Paschall, J. C. Harris, W. B. Felts, W. H. Riggan, J. O. Hardy, J. B. Phipps.

Geo. W. Bennett was sworn as officer of the Grand Jury.

The Grand Jury finished their work Wednesday and were discharged.

The criminal docket, containing thirty-five cases was closed Tuesday evening. A few of these cases were continued. With one exception, a conviction was secured in every case tried.

Solicitor Kerr is a terror to the criminally inclined, and his faithfulness in his effort to convict criminals, and have them adequately punished is heartily approved by his fellow citizens.

His Honor, Judge Allen is not only learned in the law, but is a man of great kindness of heart, and is honestly seeking to improve the lives of the criminals that are tried before him. Our people, although somewhat skeptical, will watch with profound interest his effort to improve youthful criminals, by hiring them out to good men, instead of sending them to the chain gang; and will rejoice, if results are favorable.

The civil docket was taken up Wednesday morning, and cases are being tried at the time of going to press.

COMING!

Henderson Band and Minstrel.

On Friday night, Feb. 21st, the Henderson band and minstrel is coming to Warrenton to give their excellent concert and minstrel show. The band consists of sixteen pieces, and there are nine black faces in the minstrel troupe. The organization has given concerts in Henderson, Louisburg and Oxford. Everywhere it has played to crowded houses, and received the highest praise.

The concert will be given under the auspices of the W. H. S. Athletic Association, and a portion of the receipts will go to the school boys to help pay the expenses of the coming ball season. Let everybody in town turn out to hear and see something good, and to help the boys. Seats will be on sale at Hunter Drug Co.

IN MEMORIAM.

The spirit of Mrs. Lizzie Foster Pritchard, wife of Jno. C. Pritchard, Esq., of Brodie, N. C., took its flight to the upper and better world, on Thursday last February the 6th, 1908.

Her family had been very sick, with that dread disease—grippe. She made a martyr of herself, in their service, and fell a victim—her love and devotion to her duty being greater than her physical ability. She was in her 46th year, a daughter of Wm. B. Foster and grand-daughter of Solon Southerland, Esq., both prominent families of Warren, both of them holding offices of trust.

She was the mother of ten children, three little ones went on ahead of her, to show her the way. Six sons and one daughter are left behind, all of whom, as well as her husband, and this writer have oftentimes heard her say that she had no fear at all of death, but knew that she would meet and dwell forever with her parents and little ones in Heaven, and wanted the rest to follow.

Her trials on earth were hard to bear, many and heavy. She was a church member from early girlhood, her people being Baptist, but she was laid to rest by Rev. W. Rose, of the Methodist Church of Warrenton. It was a sad and heart breaking sight when her four oldest sons bore the casket from the hearse and lowered into the cold earth, while one of her little boys wept alone, the young ones not appreciating this great loss.

O Lord walk with her children and lead them to Heaven and to their beloved mother. This writer knew her well and feels that she is in the arms of Jesus our tender Shepherd.

The Mecklenburg Hotel.

Chase City, Va., Feb. 12, 1908. Special to THE RECORD:—

While the management of the Mecklenburg Hotel and Sanitarium have hitherto been consistent with the superior service furnished, and healthful advantages offered, yet in response to a sentiment which pervades our local communities that ours is a resort more particularly conducted for the tourists on account of the prices charged, we have decided that from February 15th, and until March 15th, 1908, the rates, as hereinafter mentioned, will be put into effect and guests charged accordingly. If this reduction meets with the response we hope for, in the future it will be a fixture; if not, it will be necessary for the management to resume the prices which we have always felt were compatible with the first-class service of the Mecklenburg Hotel.

This move is an effort on our part to place our accommodations and advantages within the limit of the modest purse, and to give all our local friends an opportunity to receive the benefits to be derived from a stay at this magnificent Hotel and Sanitarium,—the pride of all Virginians as well as Carolinians. There will be no depreciations in service and the standard of highest excellence will always be maintained.
