

NOAH'S

Is
Rheumatism
getting a grip on you?

Rheumatism is the most distressing and discouraging of all troubles.

Nine cases out of ten can be cured by using Noah's Liniment.

Where there is no swelling or fever a few applications will relieve you.

Noah's Liniment penetrates—does not evaporate like other remedies.

Requires very little rubbing.

LINIMENT

NOAH'S LINIMENT Relieved This Man of a Terrible Condition.
"I suffered with rheumatism in my right arm and shoulder, complicated with a partial paralysis of the nerves. I tried numerous preparations with only partial relief, suffering intense pain all the time, loss of appetite, insomnia, and was reduced to a mere skeleton. Fortunately I learned of Noah's Liniment and began its use. Although I could not raise my arm, after using a little more than a large size bottle I feel that I am completely cured and my old self again. Cannot too strongly recommend Noah's Liniment.—John P. Daly, Charleston, S. C."

DO YOU DRIVE TO TOWN?

This farmer telephoned and stayed at home.

This farmer went to market.

And find the market unfavorable for your produce? The farmer who has a telephone in his home can telephone first. The useless trips thus saved are worth the cost of service.

Under our plan the service costs but a trifle; the farmer owns the instrument and the equipment.

North Carolinians for Wilson's Cabinet.

It is hardly probable that Gov. Wilson will select two members of his cabinet from North Carolina, but that does not alter the fact that the State has two citizens who would make ideal members of the official family. We refer to Josephus Daniels, editor of the Raleigh News and Observer, whom we nominate for Postmaster General, and Clarence H. Poe, editor of the Progressive Farmer, who is the best equipped man in the country for Commissioner of Agriculture.—Wadesboro Messenger.

The Index seconds the motion and endorses the above article in full and without recourse.

You can size up the matter to suit yourself, but a Simmons' Club was organized at Durham the other night and they pushed forward two or three young lawyers, but the leaders were John Sprunt Hill, son-in-law of Mr. Watts and a large stockholder in the old American Tobacco Co.; John Pope, who runs a tobacco warehouse; Mr. Griswell, who carries his part of their insurance; T. B. Fuller, who has charge of the Duke Cotton Mills and is a director in one of Duke's banks, Y. E. Smith, who may properly be called Duke's Little Friday, and is superintendent of the Durham Cotton Mfg. Co., owned by the American Tobacco in fluences and director of one of Duke's banks, and Capt. E. J. Parrish, who represented the old American Tobacco Co. in Japan.—Fayetteville Index.

OINE ITEMS.

Farmers are taking advantage of the present fine fall weather and are saving their crops with all their might.

The cotton is nearly all picked out which is only about a half a crop. The tobacco farmers are reporting very flattering prices for the weed. The pea crop is almost a complete failure.

The Oine Graded School opened Monday with Misses Lula Pratt and Lula Sykes teachers.

Mr. John A. Meeder has purchased an automobile and is now enjoying the fresh air in the early morn.

Mr. S. G. Wilson and family visited the family of Mr. R. S. Williams Sunday.

Mr. John W. Mayfield and family are visiting in the home of his mother.

BLUE BELL.

Salisbury Post: Chairman Charles A. Webb, of the State Executive Committee of the Democratic party, is advertising Governor Kitchin's appointments just as he is doing for Senator Simmons, Locke Craig and other speakers. Papers that have been leaving the impression that the Governor is free-lancing through this campaign should take notice.
