Reparator Capilli.

For restoring hair upon bald heads (from

chatever cause it may have fallen out) and

forcing a growth of hair upon the face, it has no equal. It will force the beard to grow up-

on the smoothest face in from five to wight weeks, or hair upon bald heads in from two

to three months. A few ignorant practition-

ers have asserted that there is nothing that will force or basten the growth of the hair or

beard. Their assertions are false, as thous-

ands of living witnesses [from their own expe-

rience] can bear witness. But many will

say, how are we to distinguish the genuine from the spurious? It certainly is difficult.

as nine-tenths of the different Preparations

advertised for the hair and beard are entirely

worthless, and you may have already thrown

away large amounts in their purchase. To

such we would say, try the Reparator Capilli;

it will cost you nothing unless it fully comes

up to our representations. If your druggist

does not keep it, send us one dollar and we

The World Astonished. AT THE WONDERFUL REVELATIONS MADE BY THE GREAT ASTROLOGIST, Madame H. A. Perriyo.

She reveals secrets no mortals ever knew. She restores to happines those who, from dole iul events, catastrophies, crossis in love, loss for reations and friends, loss of money. &c., have become despondent. She brings together those long separated, gives information concrening absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament-the malefic stars that overcome or predominate in the configurationfrom the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrolo zist on earth. It costs you but a trifle, and y m may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, \$1. Parties living at a distance can consult the Madame by mail with safety and satisfaction to themselves as if in person.
