HEPATIC PILLS, That old, long known and well tried remedy

for all Bilious diseases, caused by a

DISEASED LIVER.

They are made and sold by G. W. DEEMS the discoverer, who has removed to Baltimore, Md., where he can have access to the purest and best medicines, on the most favorable terms. He will aiways keep on hand a large supply, and will sell to his customers, wholes le and retail, at the shortest notice.

In the preparation of these very superior and excellent Pills, no cost or trouble is spared to insure the greatest possible degree of perfection, PIPER AND NUT CRACKERS, in point of utility, excellence and comfort .-They contain one article which has probably never before been used as a medicine, and The above are exact copies of original oil paint- which is a powerful agent in cleansing the Liver. ings, and are executed by Prang & Co., in the high- (which gives them an advantage over every other Pill heretofore offered to the public.) The composition used in these Pills is carefully preconnosition used in these Pills is carefully pre-pared by the hand of the discoverer, and may marle, on the 1st Monday in March next, then Number of New York a balance of the For Two subscribers and \$10.00, we will send the be used by the most feeble patient in the most and there to answer or demur to the plaintiff's Murphy, of New York, chairman of the delicate situation, either male or female; and from their peculiar combination are highly strengthening, mild in their action on the bowels, and indeed, in a climate like ours where colds and coughs are almost an unfailing contorial illustrations, price \$6.00; or a copy of Rosa | sequence of the sudden changes to which all Bonheur's Celebrated piece, Shetland Poules-Size are subject, every one at all liable to suffer from the influence of these causes, will find the greatest security in having his liver and bowels well cleansed by these invaluable Pills. Where these Pills are known, especially in the southern States, where they have been circulated so extensively, they need no recommendation-their merits are so well known by their results, which have given them a reputation that has brought them into great demand. They therefore are destined to be, at no distant day, the only remedy recognized and used by the people where bilious diseases are so prevalent. The advantage in this treatment therefore, is, that a cure must be radical and complete without the necessity of breaking down the system in one part to remove a disease in
