POLE AND FLAG RAISING .- The friends of Seymour and Blair will raise a Pole and Flag in Salisbury on Taesday next, it being the week of our Superior Court. We hope to see a very large turn out on that day. A number of interesting s seches may be expected on the occa-. n. Come one and all from every part of the county and help us to thing our noexpect to march to victory.

GRAND CONCERT .- It having been determined by the friends of Feymour and Blair, in this city and county, to have a Grand Mass Meeting and Barbacue in this place on the 8th day of October, the Ladies have determined to give a concert, at the Town Hall, on wext Tuesday night, the 22nd inst., for the purpose of assisting in raising the necessary funds. On Wednesday night they will also give a magnificent supper at the same place with

the same view. We scarcely deem it necessary for us to urge our young men, and old ones too, to patronize this concert and supper: The patriotic object sought to be promoted, would, of itself, furnish an all-powerful appeal. And if any other were wanted it would be found in the presence of the lovely women who will have the matter in charge. Their good looks and smiles, always irresistable, will be greatly heightened in their charms and attractions when their countenances are lighted up with the fires of patriotism, which in their hearts are never entirely extinguished, and which are now glowing with an unusual brightness. Then we think we can assure the patriotic ladies that they will be extensively patronized on the occasion. To doubt it would be to doubt both the patriotism and the gallantry of our men, and
